

# Summer is Nature's Own Time—

The Science News-Letter Is Therefore Pleased To Announce

## SPECIAL OUT-OF-DOORS PAGES

These nature pages will be prepared by leading nature-study and outdoors experts under the supervision of the Coordinating Council on Nature Activities, an organization that brings together leading societies and institutions interested in a proper understanding of the great outdoors. The pages, full of wood lore and useful interpretation of forest, field and garden, will appear during June and August.

### Other News-Letter Features Scheduled for May, June and July

**Nature Ramblings** (a weekly nature note by Dr. Frank Thone).

**Star Charts of Summer Heavens** (an explanation of the stars by James Stokley).

**How Butterflies and Other Insects Smell.**

**Europe's Total Eclipse of the Sun** (explained and reported by Prof. S. A. Mitchell, leader of America's only expedition).

**How to Observe the Moon's Total Eclipse to occur in June.**

**Venomous Serpents and Science's Protection Against Them** (an authoritative article by Dr. Raymond L. Ditmars, of the New York Zoological Gardens).

**Medicine's Latest Achievements and Marvels.**

**Science Helps Coaches to Train Winning Athletes** (the first authoritative statement of the new investigations of sprinting by the famous English athlete-scientist and Nobel prize winner, Prof. A. V. Hill).

**Man's Age and Evolution in the Light of New Discoveries** (raising the question as to whether ancient man lived in America).

**Great Events in the Science of the Past.**

**What's Inside a Star** (a Chat on Science by Dr. Edwin E. Slosson).

And week by week the most interesting, important and authoritative accounts of the progress of current science in all fields.
