# What is the word I want

**WORDS!** Little things, but mighty in importance because they form your contact with other people in business and pleasure pursuits. Daily you are judged by your choice of words to express your thoughts. But when there is just one word to convey your idea clearly, how to find it among the hundreds of thousands in our language? The dictionary gives

you meanings, but for choice it is only as good as your memory. The ordinary thesaurus offers you choice, providing you know the *exact* meaning of every word.

But here is a master book which offers you *both*—enables you to choose the right word, and defines it so you know you are using it correctly—

## MARCH'S THESAURUS DICTIONARY

Literally, this book places a complete command of the English language at your fingertips. By means of its unique method of grouping associated words, it gives you the exact word for your thought, the one you may have forgotten, or perhaps a new word to add to your vocabulary.

When you have an idea, March supplies you with the word which will make it vivid. If your thought is hazy, a

reference to March clarifies it.

Its 1462 pages form a great storehouse of English words, idioms, expressions, phrases, facts which aid in developing a more expressive vocabulary and opening up new vistas of thought and presentation.

### *Exactly what this book does for you*

1. Gives you the exact word or phrase to express your idea. Goes further. Groups by ideas, classifies by parts of speech, enabling you to develop versatility of style.
2. Fulfills the purpose of a dictionary, defining over 100,000 words and phrases. Differentiates between established words and those new words which have not yet found their true place in the language.
3. Gives you a complete mastery of the English language in writing and speaking.
4. Supplies in the Appendix the following usually hard-to-find facts which make March a constantly satisfactory reference, in itself a liberal education:

English Composition and Rhetoric  
Wrong Uses of Words  
The History of Writing  
History of the English Language  
Building of English Words

Word Roots and Derivations  
Famous Characters of Literature  
Notable American Sobriquets  
Literary Pseudonyms  
Word Abbreviations

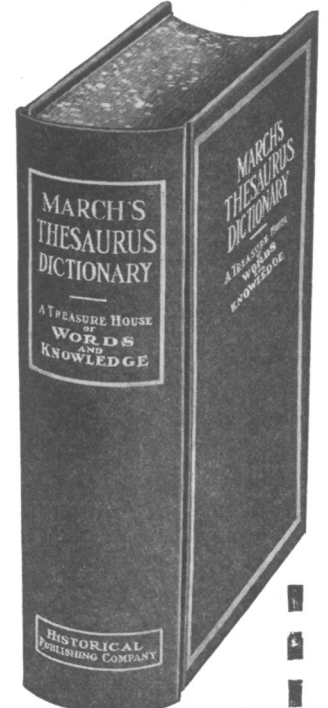

Business Words  
Legal Words and Expressions  
Biblical References  
Words from the Arts and Sciences  
Geographic Facts  
Americana

### Let the book prove itself—at our risk

Send the coupon and judge March in actual use. Keep it 10 days, examine it at your leisure, try it on your most difficult word problems.

It is a worthy addition to any library—bound in handsome buckram, printed on thin, opaque paper—and surprisingly handy.

If at the end of 10 days you don't find it indispensable in your office or home, you have but to return it and the examination has not cost you a cent.

HISTORICAL  
PUBLISHING CO.  
Dept. SC-10,  
1334 Cherry St.,  
Philadelphia, Pa.

Please send me (postpaid in U. S.; express paid in Canada) the New Amplified Edition of March's Thesaurus Dictionary. I will pay \$3.75 on delivery and if I keep the book will pay you \$2.00 per month for three months. (Canada, *duty extra*; Foreign, \$10.00, cash with order.) If for any reason I do not wish to keep it I will return it in good condition within 10 days and you are to refund my \$3.75.
