## *Science Talent Search*

ENTER the Science Talent Search, conducted for Seniors by SCIENCE CLUBS OF AMERICA, a SCIENCE SERVICE activity, and sponsored by the WESTINGHOUSE EDUCATIONAL FOUNDATION, an organization endowed by the WESTINGHOUSE ELECTRIC CORPORATION for the purpose of promoting education and science.

Write a report of about 1,000 words on the subject, "MY SCIENTIFIC PROJECT." Your report should tell what you are doing or plan to do in science in the way of experimentation or other research activity. It should be original and creative in character. In December take the examination which tests your ability rather than your fund of information. Supply your teachers with information about yourself to be sent in with your report and examination papers.

Do these three things and you may be among the forty boys and girls who will win all-expense trips to the Science Talent Institute and compete for Westinghouse Science Scholarships for the continuation of your education. Of the forty, one will win a \$2,800 and another a \$2,000 WESTINGHOUSE GRAND SCIENCE SCHOLARSHIP; eight more of the forty boys and girls will be selected to receive WESTINGHOUSE SCHOLARSHIPS of \$400 each; and \$3,000 more in WESTINGHOUSE SCHOLARSHIPS will be awarded at the discretion of the judges. Every one of the forty boys and girls will, when in Washington, be awarded the GOLD EMBLEM OF SCIENCE CLUBS OF AMERICA.

If you are planning A CAREER IN SCIENCE and if you are a senior in a secondary school, you will want to take advantage of the opportunities offered by the Science Talent Search. In the past twelve years most of the 3,600 students (40 winners, 260 honorable mentions per year), because of their standing in this competition, have been offered scholarships from other sources in addition to the Westinghouse Science Scholarships.
