Scientia International

Monthly Edition of Science News Letter in Interlingua

Scientia International carries the news of science to the non-English speaking areas of the world. Appearing monthly, it can be read by anyone anywhere. Terse, packed with information, it contains careful selections from the English-language weekly edition.

Subscribe to Scientia International for friends abroad. A gift card will be sent in your name.

Subscription to Scientia International is only \$2 a year. For air-mail transmission, add the actual cost of 12 half-ounce airmailings: \$1.20 airmail postage for Latin America, \$1.80 for Europe and \$3.00

for the Near East and Far East and Africa, etc.

Help the free international flow of scientific information by subscribing to Scientia International for friends and acquaintances in non-English speaking countries abroad. In other countries there is no journal like Science News Letter. But now you can supply them with one in a language which is not their native tongue but which they can read with utter ease.
