Gentlemen:

Thanks a lot for sending me another light bulb for my Black Light Insect Trap. I would have written this sooner but was waiting for a story and picture that was coming out in our local paper.

Believe me, this Black Light Trap is a real bug catcher. After this picture was taken I caught a bigger pile of them in four nights than that shown in the picture.

Thanks a lot for all this fine service you have given me.

Yours sincerely,

Richard Brightwell

C.T.T., Modesto, California  
We received our bug trap a few weeks ago and like it very much. We were not able to hardly sit outside but now find it a pleasure to go outside and enjoy our lawn and the outdoors. Thank you very much for the bug catcher and making it all you said about it.

K.K., Niles, Michigan  
We were delighted with the Insect Trap. It was more than I expected! It would get over 2 doz. of bugs some summer nights . . . some 3 inches long. Mosquitoes were destroyed in 2 hours not a bug outside.

D.B., La Belle, Florida  
The Insect Trap arrived in time to take to our summer place where we have used it with great success and complete satisfaction.

E.S.B., Scarsdale, N.Y.  
The Fly Trap arrived about 4 days after I mailed my order . . . it works perfect and catches a lot of insects.

The All New Jet Control Black Light Insect Trap is one of the most powerful of its kind on the market today. Actually catches harmful insects and has proved effective over various areas from backyard patios and gardens to multiple acre farms and ranches. Sylvania 10" 22 Watt Black Light draws from grass, gardens, foliage and shrubbery killing some adult insects before eggs are laid. (At the height of its mating season.) Its powerful 1/100 H.P. Motor is twice as effective and powerful as competitive models. (Most others have 1/200 H.P. Motors) and its jet control principle actually, permanently pulls the insects into bag with such force (Creating a wind tunnel of over 1175 Cubic Feet Of Air per minute suction) —that even powerful flies and mosquitoes are powerless against it. Ruggedly constructed of corrosion free baked enamel to insure years of trouble free operation. Shipped complete with hanging bracket, reusable fabric bag and 6 Ft. of Weatherproof, outdoor cord, U.L. Approved, weighs a solid sturdy 7 lbs. 10" high x 9" diameter. Formerly . . . \$34.95; Now, only \$19.95 plus \$2.00 Safe Handling Delivery charges.
