### TWELVE SURPRISES ONE EACH MONTH FOR A YEAR

Since late in 1940, packages like these have been going forward to members of the THINGS of science group. Glance over the list to the left, then decide whether a membership, which brings monthly packages on subjects as widely varied as these, isn't just the thing for that most unusual person on your Christmas Gift list.

You know the one who would thank you again and again for such a gift. Also, you could hint to someone that you'd like a membership as a gift yourself.

A Christmas Membership in THINGS of science will bring the 12 units of 1967 . . . every month a surprise, every package unusual. The cost? Only \$5 a year, postpaid and we shall send you these specially designed Christmas cards to announce your gifts of THINGS of science.
