THE NALGENE[®] UNITARY WASH BOTTLE

The only wash bottle with the dispensing tube molded as an integral part of the bottle. Exclusive unitary construction means no seams, no leaks. Just squeeze to dispense to the very last drop. No tipping, no shaking. Integral snap-on closure can't be lost—it's molded as part of the bottle.

The Nalgene name is molded right in—your assurance of highest quality. More labs specify Nalgene than all other brands of plastic labware combined. How about you? Specify Nalgene from your lab supply dealer. Ask for our 1967 Catalog or write Dept. 2810, Nalgene Labware Division, Rochester, N. Y. 14602.

How to Argue and Win!

Here is a clear simply written basic guide to logical thinking, showing how to spot the fallacies, the prejudices and emotionalism, the inappropriate analogies, etc., in the other fellow's argument and how to watch for and avoid the irrational in your own judgments. The author makes plain not only *how* but also *why* people resist facing the truth.

A tool for clear thinking as well as for convincing others.
