

ANNOUNCING THE

28th Annual Science Talent Search

for Westinghouse Science
Scholarships and Awards

One of the best ways to discover and develop scientific talent in *your* secondary school . . . is to encourage every science-minded boy or girl who is in the last year of public, private or parochial secondary school . . . in the United States, but excluding U.S. possessions . . . to enter the 28th Annual Science Talent Search. You can help by obtaining all the information they need to compete for America's top science scholarship of \$10,000 . . . a share of the \$67,500 in Westinghouse Science Scholarships . . . and an all-expenses-paid trip to the 28th Science Talent Institute in Washington, D.C.

Here is the Talent Search timetable:

September and October Reorganize your science club to review and plan projects and start reports.

October 15 Send for entry materials for all who want to enter the competition. As soon as these arrive, begin to fill in the recommendations and scholastic record on the personal data blank for each entrant.

December 2 Give the STS Science Aptitude Examination on or after Monday, Dec. 2. Preferably the complete entry for each student should be sent then, but if more time is needed you have a bit longer.

December 27 All entries must be in the office of Science Service by midnight, Friday, Dec. 27, closing date of the Twenty-Eighth Annual Science Talent Search.

The forty winners of the 27th Science Talent Search who were chosen to attend the five-day all-expenses-paid visit to the Nation's Capital.

**To arrange for entries, obtain complete details by writing to:
Science Service, 1719 N Street, N.W.

Exquisite Manchu Emperor's Art Treasures

Now Yours As Large 24" Prints

All 4 For Only \$1

Imagine hanging in your home these superb full-color reproductions of hand-stitched ancient Chinese art treasures. These masterpieces were actually "painted" in needle-work to impress the royal visitors at the palace of ancient Manchu emperors. Once you see the full-size beauty and color captured on these beautiful vellum finish prints you'll understand why the emperors selected them. The true color and craftsmanship of these reproductions can only be suggested in the small black and white pictures shown here.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color panels now while the supply lasts. They may soon be true collector's items. Each panel is on heavy vellum finish paper with a lovely border—can be "hung" without framing if you wish. You will be delighted with the grace and beauty these art treasures will add to your home. This offer will not be repeated this season in this magazine. This is your only chance to order. Be sure to fill in and mail the coupon now.
