Your Girl Friday won't be in Monday.

She was killed in a car accident.

Like the nearly 25,000 valuable employees who lost their lives in car accidents last year.

Maybe it's because some businesses don't make it their business to do the little things that help save people's lives.

Like sponsoring the National Safety Council's Defensive Driving Course.

If you're too busy for little things, consider some of the companies who aren't.
