

The first human born on Mars was a "grok" specialist!

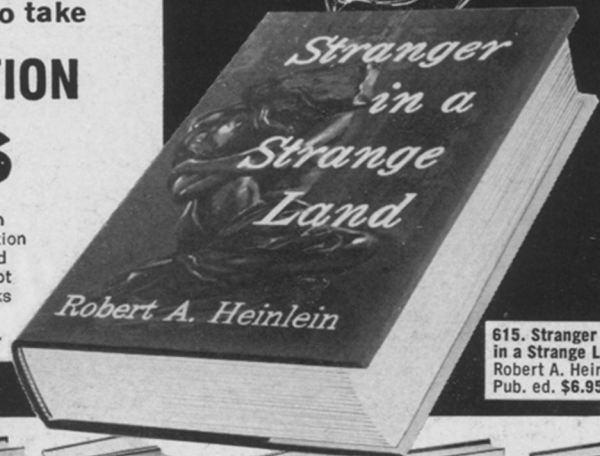

THAT was the greatest weapon in Valentine Michael Smith's arsenal... a secret that made him irresistible to women but a bitterly hated enemy to the establishment. And all he wanted to do was reform an immoral, troubled world by bringing it peace and tranquility. Some reform! Some revolution! But that's

why Robert Heinlein's best-selling classic STRANGER IN A STRANGE LAND is fast becoming the number one underground novel on virtually every college campus in the country. Now take it, if you wish, as one of your 3 introductory books for only \$1 with trial membership. Send no money—mail coupon today!
