**The perfect gift
for the person

in between!**

For Aunt Agatha . . . who already has enough crocheted frisbees—

For a student just beginning to look at all the worlds there are to conquer—

For a boss or customer who has already conquered all the worlds there are and is looking around for new ones—

For just about anybody with a lively curiosity about science and an itch to satisfy it—

SCIENCE NEWS is a remarkably satisfying gift!

As a matter of fact, we printed a list of people who might like SCIENCE NEWS in a Christmas ad one year—and got back indignant letters saying we'd left out "Husband," and also "Granddaughter" and "Grandson."

So, with some trepidation, we'll try again. Wouldn't one—or all—of these people like to receive a SCIENCE NEWS Christmas gift subscription from you?

SPACE PEN

USED BY NASA

WRITES 100 YEARS

even upside down

ONLY \$3.98! It will be treasured for generations.

Developed for NASA astronauts, this amazing pen writes smoothly, evenly, dependably even over fingerprints, shop or kitchen grease, and water—even upside down!

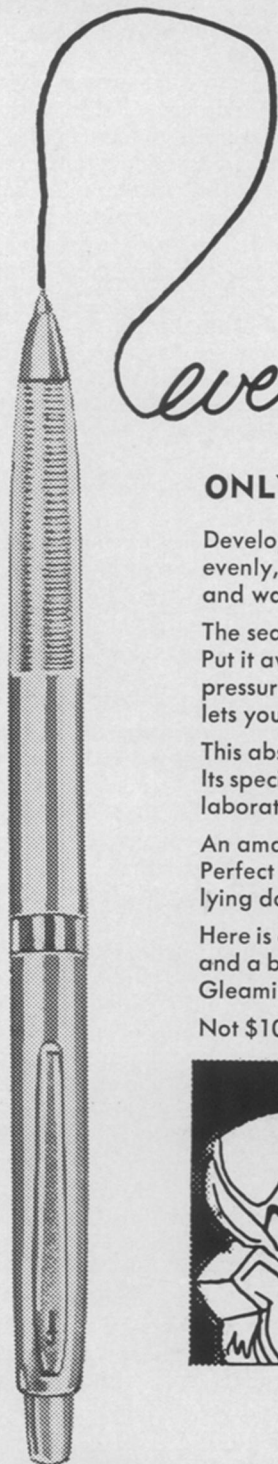

The sealed cartridge has an estimated shelf life of over 100 years.* Put it away, forget it—it'll write again the instant you use it. Its gas pressurized principle defies gravity . . . writes at any angle . . . lets you write even lying flat on your back in bed.

This absolutely unique pen has 3 times more ink than ordinary ball pens. Its specially developed ink won't leak or evaporate. It's been approved in NASA laboratories to meet standards beyond anything you will ever encounter on earth.

An amazing and unusual gift . . . a real conversation piece. Ideal for executives. Perfect for one of those pad-loving teenagers who like to do their homework lying down. A godsend for invalids who live for their correspondence.

Here is a gift that will be treasured for generations as a fine writing instrument and a birth-of-the-space-age memento. For school, home, office, purse. Gleaming, impressive silver finish, in classic, silversmith design.

When we Wash Your Car By Mail ... does it RUN better, too?

WHY DO SO MANY car owners declare that the soft, gentle wipe of a KozaK Auto DRY-wash Cloth — "The Car Wash that Comes By Mail" — not only keeps their car looking its best, but even seems to make it run better, too?

Is it imagination? More likely it's psychological.

In just a few minutes on a nice day a specially impregnated, deep-nap KozaK Cloth swiftly and safely cleans your car of dust and dirt ... polishes as it cleans ... protects the finish.

Your car gets such a lovely gleam that you are prouder to own it. You get more pleasure out of driving it. You could almost vow it's running better ... just as a well-groomed dog or horse "shows its appreciation"! ... yet the cost to you is only 3 to 4 cents per clean car.

In Every Climate, On Every Kind of Roads

For 44 years KozaK Auto DRYwash Cloths have been keeping cars spot-

What a KozaK* "Car Wash By Mail" Does For Your Car:

- Removes dirt quickly, safely
- Polishes as it cleans
- Saves time and money
- Protects the finish

"Made by people you can depend on to do the right thing" ©

less for people everywhere whose cars must be clean all the time ... owners of Cadillacs, Imperials, Continentals; antique car collectors, private chauffeurs, limousine rental companies.

They call KozaK "The Car Wash that Comes By Mail" because each KozaK has at least 50 safe, sure, dry car washes built right into it. That's why KozaK is your declaration of independence from messy hoses, sloppy buckets, wet feet, chapped hands.

Money Back, KEEP the Cloth, If Not Absolutely Satisfied

That's our Guarantee. No ifs or buts, no strings whatever. No KozaK user ever stays dissatisfied if we know about it. And if many customers asked for their money back, we couldn't have been in business since 1926.

KozaK keeps your car looking shiny-new all the time. It frees you from the chore of wet-washing, or shelling out money for someone else to do it. You can caress your KozaK over the finish of your car and have

it looking like a million in just minutes — saving 80% of your hose-washing.

Free With Your KozaK Order

Every KozaK order we mail includes, at no extra cost, a half oz. bottle of our BJR solution. When applied, as we suggest, it coats the finish of your car with a transparent, invisible protective film so glossy that dust, dirt, grime have very little to cling to. Ordinary rain water then washes much of the dirt away ... before you even touch the finish with your KozaK. 5 drops of this new liquid formula on a damp cellulose sponge does a door.

This New Formula BJR can be used over wax, Simoniz, Blue Coral, Porcelainize or any other standard finish. Its extra protection makes each KozaK DRYwash faster and easier than ever.

Get a Special Discount for Trying Both Sizes

Take advantage of the money-saving offer in the coupon below, and you'll have a KozaK to use in each hand. The average cloth serves from 1 to 2 years ... 50 to 100 or more DRY-washes. Your cost is only 3 to 4 cents per clean car.

Upon receipt of your order it will be shipped to you immediately with complete instructions and your complimentary bottle of BJR. Our Money-Back Guarantee means you can't lose. You and your car have a whale of a lot to gain.

Here's the easy way to start proving it ...

"My husband laughed at my purchase of KozaK. He spent 2 years restoring a 1931 Model-A Ford. I missed my KozaK, and guess where I found it and guess who I've 'converted'—seriously, my husband thinks the KozaK is fine and I just thought you might like to know that you've got another 'booster'."

Mrs. LaVon McBratney, Muncie, Ind.

"KozaK works like Magic."

Mrs. Betty Close, Alton, Ill.

"I have now used your products for two or three years, and have found them to be all that you claim, both as to ease of use, and general performance."

Mr. C. W. Twitchell, Glendale, Cal.

"I have been accused of washing my car all the time—but not so — with a few quick swipes with my trusty KozaK my cars have always looked like new. The KozaK is a great invention and a life saver for me as well as a cost saver."

Mrs. W. R. Brooks, Colfax, Wis.

"Just a line to let you know that I think your KozaKs are worth double the price you ask. I use them at home and also we have three large size at our Fire Station that we use on our fire apparatus."

Mr. N. J. Rulman, Paulding, Ohio

"I have enjoyed using your products in the past 5 years. I have just taken delivery on a new car, and I think it deserves the best of care—'KozaK'. Thank you for putting something on the market that is worth the money."

Mr. F. Mester, Sr., Detroit, Mich.

How Your KozaK "Car Wash By Mail" is Guaranteed

If the KozaK Auto DRYwash* Cloth we mail to you has not saved its cost many times over after you have used it for 30 days ... just write and the money that you paid for it will be refunded ... you DO NOT even have to RETURN the KozaK.
