

Help America get ahead

Adopt a college

It costs less than you'd suppose to buy a share in America's future leadership.

In fact, what you give will be of immeasurable help to our colleges and universities today.

Enrollments are growing fast. Facilities must be expanded, new teaching talent attracted. (Faculty salaries are up 6.8% this year alone.)

We can't settle for second-rate education. Not if America is to remain first.

Your support can well mean the difference to your children's future—and the nation's.

Give to the college of your choice. (If you haven't a college of your own, it's easy enough to adopt one.)
