- **COMPUTER REGISTERED** in bearer's name for life (or until de-registration is requested).
- **ENTITLES BEARER** to purchase from us at full card discounts any book in print sold in any bookstore in the United States or its Territories or listed anywhere in the American Book Club MASTER RATE CATALOG & GUIDE TO U.S. PUBLISHERS & WHOLESALE BOOK OUTLETS. (See Footnote 1 for Cardholder's discount schedule of 10% to 81% off original publishers' prices.)
- **THIS DISCOUNT PRIVILEGE INCLUDES** all best sellers such as Future Shock, The Sensuous Woman, Papillon, Everything You Always Wanted to Know About Sex, Body Language, Ball Four, Sexual Politics, Inside the Third Reich, Love Story, The Wall Street Jungle, Human Sexual Inadequacy, etc.; as well as all fiction and non-fiction; all cookbooks; all scientific and technical books; all political, historical, business and financial, biographical, religious, philosophical, art, even reference works, unabridged dictionaries, encyclopedia sets and professional books sold in bookstores. No exclusions.
- **THIS DISCOUNT PRIVILEGE ALSO INCLUDES** books of all major publishers sold in bookstores such as Random House, Knopf, Doubleday, Harper & Row, Simon & Shuster, Harvard University Press, Grove Press, etc. Even rare or "specialist" houses. No exclusions.
- **ACCEPTING THIS CARD** involves absolutely no obligation or commitment to purchase anything, at any time, for any reason.
- **COMPLETE COST** of all the ALL-BOOK/ALL-PUBLISHER DISCOUNT CARD, with full privileges, is \$5. There are no other charges. This one-time Registration Fee is good for life. You need never renew or pay another fee. (See Footnote 2.)

HOW TO ORDER AT FULL CARD DISCOUNTS

Simply look up selection(s) you want at discounts of 20% to 81% in the Club's MASTER RATE CATALOG & GUIDE TO U.S. PUBLISHERS & WHOLESALE BOOK OUTLETS (provided free with card; see description below) and note the order number listed beside each book.

Or, you may prefer to order a book currently offered by some other book club (that, too, is perfectly all right). Or feel free to request any book reviewed or advertised in any publication or sold in any bookstore. Then — simply send in your order.

HOW MUCH YOU SAVE IN DOLLARS AND CENTS

If you order at a discount of, say, 50%, then the price you may have formerly paid for only five books will now bring you up to ten books. Or, said another way: five \$8.95 books, originally published at \$44.75, might now be purchased (through your card) for as little as \$22.38. A total difference of \$22.37. In any event, no cardholder will ever pay full price for any item purchased with his card.

Here are some typical orders processed by our IBM-S/360 computers during a typical week. (Note: No comment, criticism or endorsement

of any book, publisher or author is implied or intended. Prices subject to change.)

Title	Orig. Pub. at	Card Price
GLOSSARY OF THE CONSTRUCTION, ORIGIN & USE OF ARMS & ARMOR	\$50.00	\$ 9.95

(cont'd top of next col.)

FOOTNOTE 1 Club's MASTER RATE CATALOG & GUIDE TO U.S. PUBLISHERS & WHOLESALE BOOK OUTLETS is sent free with your card. Cardholders discount schedule: 75% of all titles in CATALOG are 40% to 81% below original publisher's prices; 18% of titles are 20% or more below original publisher's prices. Even books not listed in MASTER RATE CATALOG may be ordered at discounts up to 10% provided they are still in print. You are also entitled to request, at slight additional cost, the Master Catalog of British Books and — if you so desire — to order any and all British books in print, as well as obtain price quotations and bibliographic searches for research and scholarly purposes.

FOOTNOTE 2 Your \$5 Registration Fee (which, incidentally, cardholders may "amortize" fully on their first order alone) helps defray cost of respondent materials, acquisition, and programming your name and order-number into battery of IBM-S/360 computers comprising new Computer Control Center which can store over 1½ BILLION characters of information, scan and process book orders at rate of TWO MILLION CHARACTERS PER MINUTE. Currently servicing orders for more than 200,000 booklovers, it is the only such facility of its kind in existence.

FOOTNOTE 3 Cardholders receive only genuine publisher's editions. Conventional "bestseller" book clubs often send members "club editions" — i.e. special "economy" printings using cheaper paper, smaller type, flimsier bindings. Our discounts are never achieved this way. All best sellers are publishers' editions, brand new and bindery fresh — the same item selling for full price in the "bookstore around the corner".

HOW THESE LARGE DISCOUNTS ARE ACHIEVED

Your orders need not pass through a conventional bookstore. Our Computer Control Center and large-volume purchasing helps slash the costs and "mark-ups" of normal book distribution procedures. Resultant savings are passed on to cardholders as discounts of 20% to 81% off original publisher's prices shown in MASTER RATE CATALOG. (See Footnote 3.)

YOU MUST BE SATISFIED OR MONEY REFUNDED

If for any reason you feel your card is not as valuable as we have led you to believe (or even if you have simply changed your mind), you are free to return it within 10 days for a full refund of your Registration Fee. (Please tear card in half before returning.) Naturally, any book you purchase with your card must also satisfy you completely or you may return it for a full refund — no questions asked.

To apply for an ALL-BOOK/ALL-PUBLISHER DISCOUNT CARD, complete and mail the form below. (Should your application not be approved, your Registration Fee will be returned to you at once.) Mail form to ALL-BOOK/ALL-PUBLISHER DISCOUNT CARD, American Book Club, Hazleton, Pa. 18201.

FREE WITH YOUR CARD

Club's MASTER RATE CATALOG & GUIDE TO U.S. PUBLISHERS & WHOLESALE BOOK OUTLETS (unobtainable outside book trade except for cardholders) includes all subject categories: best sellers, fiction and non-fiction, reference works, encyclopedias, unabridged dictionaries, multi-volume sets, publisher specials, remainders, options, etc., at 20% to 81% BELOW original publishers' prices. Breakdown: approximately 75% of titles in MASTER RATE CATALOG priced 40% to 81% below orig. pub. prices; approximately 18% of titles priced 20% or more below orig. pub. prices. Cardholders never pay full price. MASTER RATE CATALOG remains yours free, without obligation, even if you later decide to return your card for a refund.

COMPUTER CONTROL CENTER Currently serving 200,000 booklovers, it bypasses conventional retail bookstores. Shares savings of our "direct-from-publisher" ordering with cardholders through MASTER RATE CATALOG & GUIDE TO U.S. PUBLISHERS & WHOLESALE BOOK OUTLETS. **Barbers talk a lot.
 Except when they
 find an electric
 shaver that outshaves
 a hand-honed
 straight razor.
 Then they keep it
 to themselves. Until now!**

A barber gets \$1.50 plus tip for a shave with his electric razor. For years he's kept the brand name hidden with adhesive tape.

Can you rightly blame him? For this professional instrument outshaves his hand-honed straight razor! You won't find it in stores. It's been a secret weapon of master barbers for years. It delivers a barber-close shave that lasts all day long. It does it faster and with less chance of irritation than a straight razor. That's why barbers use it on the toughest beards and the most sensitive skin.

Now the secret is out. A blabbermouthed barber talked. We have it. The Oster Professional Electric Shaver.

**Contoured Head—
 Like a Barber's Fingers**

The design is a barber's dream. Technically, the shaving head design is called a "double arch contour," because it sets up whiskers just like a barber does with his fingers. It means you get every whisker at one pass—as clean as if you had drawn a hand-honed, surgically sharp, straight razor over your face.

**4,000 Comb Traps—
 152 Surgical Steel Edges**

Four thousand comb-like perforations trap each whisker right at the skin line. Powerful 120-volt, 60-cycle motor drives the 152 surgical-sharp cutting edges to make the toughest beard disappear magically—without the slightest irritation to even the most sensitive skin.

**So Powerful,
 Whiskers Turn to Dust!**

Open an ordinary electric shaver and you'll find bits and pieces of whisker. That's because these run-of-the-mill shavers hack and chop your beard. But the Oster Professional Electric Shaver operates at nearly twice the speed—on ordinary household AC current—and actually pulverizes whiskers into fine microscopic dust.

**Separate Trimmer
 Other Great Features**

No expense was spared to make the Oster Professional Shaver to rigid, master-barber specifications. Motor-driven trimmer operates independently to trim moustaches and sideburns

straight and neat for today's new "styled" look. The high-impact plastic housing is sculpted to fit your hand effortlessly. Removable stainless steel head rinses clean under running water. On-off switch, plus separate switch to operate trimmer. The specially counter-balanced drive gives you a smooth, vibration-free shave, and won't cause radio or TV interference.

It all adds up to an amazing shaving experience. An electric shave that makes your face come cleaner than a hand-honed surgical steel barber's straight razor — and in a lot less time.

Expecting a hefty price tag? Forget it! The Oster Professional shaver was designed for barbers who don't go for expensive, unneeded frills. The price is regularly only \$22.98, complete with carrying case — containing separate cord storage, cleaning brush and head cover. And now, for a limited time only . . . the Oster Professional is yours to enjoy for only \$19.98 — a healthy \$3.00 saving!

10-DAY FREE TRIAL!

Treat your face to the Oster Professional Shaver for 10 days — 10 days of the smoothest, fastest, closest, most irritation-free shaving you've ever enjoyed . . . either blade or electric! Then, if not completely satisfied, return for a full refund.
