The WANG 700 Series

Now
a calculator
that lets you
write your
own programs
and store them on a tape cassette

It's easy to store, enter or change programs with a 700 Series and there are no language problems. You already have the knowledge in the math steps you're now using to solve your problems.

With the Wang 700 you'll have more than a calculator. There are 16 special function keys that make it personally yours — you can determine the function each performs. And a choice of typewriter or printer/plotter output turns the 700 Series into a fully programmable calculating system.

And to make it even easier, Wang offers a library of pre-programmed cassettes for the many standard needs. Want a demonstration? Call Mr. Courtney collect at 617-851-7211 or send us the coupon.

Wang Laboratories, Inc. Dept. SN-5

Now you and
your students
can see
eye to eye—
with the
dual-viewing
AO Series Sixty
Microscope.

Series Sixty Microscope has an exclusive transparent illuminated/movable pointer.

The AO Series Sixty Microscope offers you and your students the convenience of dual-viewing and the exclusive transparent illuminated/movable pointer which may be positioned anywhere in the field. Both viewers see the same point of reference simultaneously.

The dual-viewing head and pointer combination simplifies teaching, makes learning easier, lessons more detailed. The Series Sixty Microscope is ruggedly constructed and practically maintenance free. Superior optics provide well-defined image details. Write for more information or ask your AO representative for a convincing demonstration.
