

How's your Imagination Quotient?

Test yourself, then treat yourself to three volumes of fascinating mind-stretchers for just 10¢

No one on your world has ever seen the stars. A strange legend foretells something called "night" will come tomorrow for the first time in 3,000 years. What will happen when it does?

You're the first astronaut to visit another planet. Your ship lands and you find the house you grew up in. The woman on the porch is your grandmother! What's the explanation?

A great starship suddenly confronts another ship from an alien civilization. Can either race be sure the other won't conquer his world? Is there an alternative to destroying each other?

You'll find the dazzlingly imaginative, beautifully logical answers in three famous stories in *The Science Fiction Hall of Fame*—an anthology of the greatest science fiction literature of all time. And you can have this 572-page, hard-bound book—plus two more masterpieces of the world's most entertaining, provocative fiction—for just 10¢ (to help cover shipping). It's all part of the fun when you join THE SCIENCE FICTION BOOK CLUB.
