SCIENCE NEWS *will give them a greater awareness and*
understanding of scientific progress . . . tell them
what science is doing, why it is important to them!

This Christmas, share SCIENCE NEWS with your friends. SCIENCE NEWS is the ideal gift for busy executives, professional people, scientists in search of an overview of all major fields of science, science teachers and students.

For someone with no more than an hour to spare, SCIENCE NEWS is a reliable summary of important news. For the reader with more leisure, it is a guide to subjects he may want to pursue in more detail in other scientific journals.

LA RECHERCHE a des lecteurs dans 78 pays. Il doit bien y avoir une raison.

If LA RECHERCHE has an international readership, it's probably simply because its contents is international. You'll find well known French authors in LA RECHERCHE : E. Baulieu, F. Jacob, P. Jacquinot, F. Morel, X. Le Pichon, A. Leroi-Gourhan, L. Lliboutry, J. Monod, C. Ropartz, Ch. Thibault among many others. But you'll also find articles by H. Alfvén, J.E. Cleaver, Hong Yee Chiu, Th. Dobzhansky, G. Natta, O. Morgenstern, C. Ponnampereuma, D.W. Sciama, J. Tuck, S. Uyeda...

Enough name-dropping. Distinguished names are not sufficient to make a good publication. (Some of our predecessors prove this). Written by scientists for scientists, LA RECHERCHE covers everything from biochemistry to astrophysics. But it does not stop at doling out monthly slices of a cake baked of arbitrarily selected "good" articles.

You see, we think that LA RECHERCHE is the best interdisciplinary monthly. But, as its publishers, we have our prejudices.

What do you think? Even if your French is a little rusty, you can judge for yourself - free of charge - over a period of 3 months. All you need to do is fill in and return the coupon below.

Special offer

limited to residents of the United States

I wish to receive the next 3 issues of LA RECHERCHE on a trial basis. If interested, I'll settle your invoice on receipt of the third issue and benefit from the special subscription rate of \$ 12 instead of the usual \$ 18 for a year's volume of 11 issues. Otherwise I'll keep the 3 issues received at no charge to me.
