# LA RECHERCHE n'a qu'une seule édition. En français. Mais le monde entier s'y donne rendez-vous.

When we began, in 1965, there were other interdisciplinary monthlies on the market. (A few of these still exist.) We followed these closely, even with reverence. Reverence is indeed what they deserve. They have prestigious authors, fine artwork. They look good on the coffee table. Too often, however, they serve up long, long articles on minor, tiny subjects. Just the articles you and I say we'll read "when I have the time." We decided to publish a magazine people will read even when they don't have the time. LA RECHERCHE is written for scientists by scientists. Our contributors come from all over the world, and many of them are well known. Others will be well known. Our artwork includes photography and drawings. Mostly serious. But not always. We have some long articles – but on major topics. And plenty of short articles. What we want to provide every month in LA RECHERCHE is a running chronicle of international scientific news across the board, from biochemistry to astronomy to data processing. Readers in 78 countries seem to think that we give them just that and that LA RECHERCHE deserves thorough reading... even when their French is a little rusty. Do you want to try it? Just complete and return the coupon below. Be our guest.

**Special offer**  
limited to residents of the United States

I wish to receive the next 3 issues of LA RECHERCHE on a trial basis. If interested, I'll settle your invoice on receipt of the third issue and benefit from the special subscription rate of \$ 12 instead of the usual \$ 18 for a year's volume of 11 issues. Otherwise I'll keep the 3 issues received at no charge to me.
