# Free! One recent issue of Environmental Quality

It could change your life. And help you change the whole world for the better. Because this is the magazine that does more than just talk about ecology. Every month, we tell you what to do to make things better.

Just to give you an idea of how we're different, here's a sampling of what a few recent issues have covered:

**Terrors in Toyland.** How safe is your child's toy? "The Ralph Nader of the toy industry," Edward Swartz spells out the perils. And lists 30 do's and don't's for intelligent buying.

**Witness for the Living Sea.** Jacques-Yves Cousteau outlines 4 points that could keep the sea — and mankind — alive.

**Vanishing Point.** A regular feature. So far, we've considered the alligator, coyote, tule elk, sea otter, dolphin, brown pelican, wild mustang.

**The New Panama Canal.** What will it do to the waters, the islands, the people? Whom should you write — and why?

**Keep Out of the Reach of Children.** Cereals are healthy for TV, no so healthy for kids. A hard look at American way of breakfast, with cost and nutrient analyses of 33 breakfast

foods. Other articles have examined baby foods, hamburger, water fluoridation.

**Strip Mining: The Prostitution of America.** And the disgrace. Richard Cramer suggests other choices.

**Obscenity and Ecology.** Joseph Sorrentino wonders why cops and courts go after porno peddlers with such zeal, while letting polluters sock it to society with such impunity.

**Engines and Alternatives.** In separate articles, we've examined the Wankel rotary engine, the Lear steam machine, the bicycle and the turbine motorcycle.

**Interviews.** We've talked with Walter Hickel and Henry Gibson,

Senator Gaylord Nelson and Cleveland Amory. We've followed William Ruckelshaus through 2 days, and published Ralph Nader's views on 23 issues.

**Futures.** We'll tell you about health food restaurants in major cities. Charter flight inequities. No fault insurance. Consider socialized medicine. Prison reform. Day care child centers.

**About that free offer.** We'll send you absolutely free a recent issue to let you judge it for yourself. This is

not one of those phony offers where the "free" copy is actually the first issue in your subscription. It's really free.

We will enter your subscription for one year automatically. And we'll bill you for our special rate, \$6.00 for 12 issues. If you don't want them, write "No!" on the invoice, return it within 15 days, and we'll cancel. You will owe us nothing. And we won't pollute your mailbox.
