(You simply agree to buy 3 more books—all at handsome discount—over the next 12 months.)

#### HOW THE CLUB OPERATES

● The Book Club News. describing the coming Main and Alternate Selections, will be sent to you 15 times a year at three to four week intervals. ● If you wish to purchase the Main Selection, do nothing and it will be shipped to you automatically. ● If you prefer one of the Alternates, or no book at all, simply indicate your decision on the reply form always enclosed with the News and mail it so we receive it by the date specified. ● The News is mailed in time to allow you at least 10 days to decide if you want the coming Main Selection. If, because of late mail delivery of the News, you should ever receive a Main Selection without having had the 10-day consideration period, that Selection may be returned at Club expense. ● After completing your trial membership, you will be entitled to take advantage of our bonus plan offering savings up to 70% and more.

<b>The Library of Science</b> 2-39A Riverside, New Jersey 08075			
Please accept my application for membership and send me the three volumes indicated, billing me only \$3.95 for all three. I agree to purchase at least three additional Selections or Alternates during the first year I am a member, at special members' prices. Savings range up to 30% and occasionally even more. My membership is cancelable any time after I buy these three books. A shipping and handling charge is added to all shipments.
