A Visit to Fermilab

give your friends an insight into the world of science this Christmas

science news

will give them a greater awareness and understanding of scientific progress . . . tell them what science is doing . . . why it's important to them

This Christmas, share **SCIENCE NEWS** with your friends. They will appreciate the opportunity to learn about new scientific developments and discoveries that can affect their lives, their jobs, their future. And in this day of changing social directions, they will especially appreciate the perspective **SCIENCE NEWS** gives to the issues involving science and society.

SCIENCE NEWS is the ideal gift for busy executives, professional people, scientists in search of an overview of all major fields of science, science teachers and students.

Why?

Because it is planned for today's man-in-a-hurry. It reports key developments clearly . . . accurately . . . concisely—in about an hour's reading time a week.

For someone with no more than an hour to spare, **SCIENCE NEWS** is a reliable summary of important news. For the reader with more leisure, it is a guide to subjects he may want to pursue in more detail in scientific journals or other publications.
