Fungal Toxins: Silent Attack on World Food

WHERE IN THE WORLD ARE YOU GOING?

8 BOOKS THAT GIVE YOU THE FACTS ON HOW YOU CAN TRAVEL TODAY WITHOUT BEING RICH

AROUND THE WORLD BY FREIGHTER

Where and how to travel by freighter—the lower cost way to travel

FOR no more than you'd spend at a resort, you can take a never-to-be-forgotten cruise to Rio or Buenos Aires. Or through the Canal or to the West Indies or to England, France, the Mediterranean, etc.

And what accommodations you get—large rooms with beds (not bunks), probably a private bath, lots of good food, and plenty of relaxation as you speed from port to port.

Travel Routes Around the World names the freighter lines (700 of them, with sailings from practically every port in the world), tells where they go, what they charge, briefly describes accommodations plus life on your freighter, clothes to take, etc.

To stop saying that travel is expensive, get your copy now. Price, \$1.50.

BARGAIN PARADISES OF THE WORLD

West Indies, Mexico, Californias Abroad

This is a book on how to double what your money can buy. For that is what spending a few weeks or months, or even retiring, in the world's Bargain Paradises amounts to.

Throughout this big book you learn where to spend a while in the West Indies, South America, the healthful islands of the South Seas, and the marvelous Balearic Islands where two can live like kings yet spend very little.

You read about cities and towns where it's always spring, about "Californias Abroad," about "Four Modern Shangri-Las," about mountain hideaways, tropical islands as colorful as Tahiti but nearer home, about modern cities where you can live for less, about quiet country lanes and surf-washed coastal resorts.

If you've ever wanted to travel but wondered how you could afford it; if you have a little income but wonder how you'd ever be able to retire on that; if you want a life of luxuries on what you'd get only necessities back home, then you want this book. \$2.50.

WHERE WILL YOU GO IN FLORIDA?

Florida needn't be expensive—not if you know just where to go for whatever you seek in Florida. And if there's any man who can give you the facts you want, it's Norman Ford, founder of the world-famous Globe Trotters Club.

His big book, **Norman Ford's Florida**, tells you, first of all, road by road, mile by mile, everything you'll find in Florida, whether you're on vacation or looking over job, business, real estate, or retirement prospects.

Always, he names the hotels, motels, and restaurants where you can stop for the best accommodations and meals at the price you want to pay. For that longer vacation, if you let Norman Ford guide you, you'll find a real "paradise"—just the spot which has everything you want.

Of course, there's much more to this big book. If you want a home in Florida, he tells you just where to head. If you've ever wanted to run a tourist court or own an orange grove, he tells you today's inside story of these popular investments.

If you want to retire on a small income, Norman Ford tells you exactly where you can retire now on the money you've got, whether it's a little or a lot. Because he always tells you where life in Florida is pleasantest on a small income, he can help you to take life easy now.

Whatever you seek in Florida, **Norman Ford's Florida** gives you the facts you need to find exactly what you want. Well over 100,000 words, but it costs only \$3.00—only a fraction of the money you'd spend needlessly if you went to Florida blind.

AMERICA BY CAR

THIS big book is your insurance of seeing all the 4-star sights in whatever corner of the U.S., Canada, or Mexico you drive to. In Niagara or Los Angeles, Washington or New Orleans, the Black Hills or Montreal, it takes the guesswork out of travel.

OFF-THE-BEATEN PATH

—these are America's own Bargain Paradises

Where to retire or vacation at what look like prewar prices and no one ever heard of nerves or worries.

Off-the-Beaten Path names the really low cost Florida retirement and vacationing towns, the topnotch values in Texas, the Southwest, California, the South and East, Canada, and a dozen other areas which the crowds have not yet discovered.

—Fabulous places like that undiscovered region where winters are as warm and sunny as Miami Beach's, yet costs can be 2/3rds less. Or that island that looks like Hawaii yet is 2000 miles nearer. Or France's only remaining outpost in this part of the world . . . or a village more Scottish than Scotland . . . or resort villages without crowds or high prices . . . or island paradises aplenty in the U.S. or Canada . . . or areas with almost a perfect climate. And for good measure you also read about low cost paradises in Hawaii, the Virgin Islands, and Puerto Rico.

A big book, with about 100,000 words. Yet it costs only \$2.50.

SPECIAL OFFER #2: All 3 books directly above plus *Fabulous Mexico—Where Everything Costs Less*—\$11.50 value—for \$7.95.

WHERE TO RETIRE ON A SMALL INCOME

This book selects out of the thousands of communities in the U.S. only those places where the climate is right, living costs are less, the surroundings pleasant, and nature and the community get together to guarantee a good time from fishing, boating, gardening, concerts, or the like.

It covers cities, towns, spas, resorts, etc., throughout America—from New England south to Florida, west to California and north to the Pacific Northwest. It includes both Hawaii and the American Virgin Islands.

Some people spend hundreds of dollars trying to get information like this by traveling around the country. Frequently they fail—there is just too much of America to explore. This book saves you from that danger. Yet it costs only \$2.50.

FABULOUS MEXICO—WHERE EVERYTHING COSTS LESS

THE land of retirement and vacation bargains, where an American retirement income looks like a fortune, and your vacation money can buy double or more what it might back home. Norman Ford shows you vacation and retirement values where you can live like a prince on what you might just get along on in the U.S.A. He pinpoints areas that look like the South Seas, others where it's like June all year round, towns where many other Americans have retired; shows where to find modern, flower-bedecked hotels and inns that charge hardly half of what you'd expect to spend in even such a land of vacation and retirement bargains as Mexico. Plus a big section on where to start your money earning so much more than in the U.S.A. \$2.50.
