## CHARLIE BEGAY COULD BE THE WORLD'S SECOND NAVAJO DOCTOR. OR HE COULD DROP OUT OF SCHOOL IN THE SIXTH GRADE.

*you could make the  
difference*

Charlie Begay lives in a hogan with his grandmother 27 miles from Window Rock, Arizona. School for Charlie means a one and a half mile walk every morning to the bus. It's not so bad, except in winter. As long as his shoes hold out. Charlie is a very bright little boy. A good student. But he's very poor. When his shoes give out, Charlie will probably give up.

### YOU COULD MAKE THE DIFFERENCE

As a Futures for Children sponsor, you can help Charlie get new shoes and clothes when necessary, but more important, you can help Charlie reach his potential. You can be his friend, correspond and visit with him. Supply the encouragement and support that will help keep him in school; that will build his self-esteem; that will guide him toward a bright, secure future.
