**MYSTERY OF ENERGY AND AGING**

Science fact or farce? Can our Great Pyramid unlock the mysteries of energy and aging — show that the ancient Egyptians contradicted nature? Did someone really get 85 shaves from a blade kept in a pyramid? We're experimenting — why don't you? And compare notes with us. Test claims like meat not rotting, things not rusting! Users of exact scale models of Cheop's pyramid oriented to true North claim all sorts of strange phenomena based on resonating energy.

Ours is already assembled, 1/8" see-thru acrylic, 6 x 9 1/4 x 9 1/4". Includes instructions and pyramid facts.
