**LET US DO IT FOR YOU!** . . . for the next year — by computer. Know your bio-rhythm analysis for the next 12 months. Send us day, month and year you were born together with your check or m.o. and we'll send you your accurate computerized, personalized Bio-rhythm Chart-Report.

**Stock No. 19,200Q .... Just \$15.95 Ppd.**

We're not sure whether Bio-rhythm is a science fact or a science farce. But we're told that vast mood shifts are caused by your body's **Internal Time Clock** whose rhythms can be charted ahead to possibly warn you of "critical" days. Some great, some blah. Maybe it's your physical, emotional and intellectual rhythms converging at the right or wrong time.

**PROVED VALUABLE!** Bio-rhythm charting has already been proved valuable. The Ohmi Co. in Japan plotted bio-rhythm charts for all 500 of its bus drivers. Those scheduled to have "critical" days were reminded to be on the alert. Accidents dropped off 50% in first year alone.

**SUMMER PASTIME  
FOR ACTIVE CHILDREN**

The how and why of science is always stimulating to the inquiring minds of children, and THINGS of science is just the "thing" to help satisfy this curiosity and search for knowledge. THINGS of science kits contain an explanatory booklet and simple materials for easy-to-do experiments that make science a "fun activity."

The kits are designed for young people from 10 to 16, but many parents buy them for interested younger children. They are ideal for an afternoon project, scout meetings, neighborhood clubs and playground activities.

Illustrated on this page are THINGS of science kits, normally obtained on a subscription basis, now being offered as a summer special at \$1.00 each or three for \$2.50 while the supply lasts.
