# THE SHAVER THAT WENT TO THE MOON!

Just wind it and enjoy an out-of-this world shave!

TRY IT FOR 90 DAYS AT OUR RISK. YOU MUST BE DELIGHTED OR YOUR MONEY BACK!

**NO WIRES! · NO ELECTRICITY!  
NO BATTERIES! · NO LATHER!  
NO BOTHER! · NO WAITING!**

Now you can enjoy the same rugged, dependable shaver our astronauts used on moon mission flights. The shaver that doesn't require electric power, water or weight-and-space-wasting accessories! Just check off our checklist below, and you'll quickly discover why no other electric shaver or blade razor can match the Monaco space age shaver for performance, convenience, reliability, value!

**Unique Wind-Up Spring.** Monaco is the only shaver that doesn't depend on an outside energy source. It's powered by a rugged, dependable wind-up spring. Which makes it—and you—very independent. Just give the winding key six or seven turns and you have enough power for a perfect shave.

**Use It Anywhere.** You can use Monaco wherever you are—even if that's deep in the woods on a hunting trip. And every day at home and work, in the office, in the car! Or when you're flying or riding to an important meeting and want to get rid of that "5 o'clock shadow."

**Clean, Comfortable Shave.** You never have to worry about nicks and scratches with *this* shaver. The super-thin shaving head floats gently over your face, guiding whiskers into thousands of tiny perforations. Surgical steel blades revolve an amazing 72,000 times per minute, slicing your whiskers off smoothly at the skin line. Without the hacking and chopping of ordinary slower-acting shavers.

**Reliability.** Monaco is made to run like clockwork — year after year! The reason? It's carefully crafted by skilled Swiss watchmakers!

**Convenience.** Now you can forget about messy lathers, looking for electric outlets, replacing or recharging batteries. Everything you need for a close, comfortable shave is right in the palm of your hand!

**Maintenance-Free Operation.** All parts of this fantastic shaver are made of the very finest materials. The surgical steel blades are self sharpening, so the longer you use them, the better they get. The mainspring is made from the same Swedish Super-Steel used in the finest watches. And to ensure years of trouble-free performance, it's sealed and permanently lubricated.

**Compactness.** The Monaco is specially contoured to fit snugly in the palm of your hand—giving you complete control at all times.

**Money-Saving Advantages.** Just imagine how much money you'll save on shaving cream and blades. And if you use a shaver, you'll never have to buy batteries again, or pay for electricity. You just can't beat Monaco, the space age shaver.

Now that you know why Monaco is the choice of America's astronauts, isn't it time you bought this "heavenly" shaver for yourself? Only \$19.99! Try it 90 days. If you don't agree it's the greatest shaver you ever used, just return it for refund. No questions asked.
