THE LIFT-OUT, SLIP-IN LIFETIME ADDRESS BOOK

*It keeps up with YOUR world
PERMANENTLY!*

POCKET-SIZE

Only our ingenious address books let you do all these things:

- Keep names alphabetically organized at all times.
- Remove outdated addresses by simply lifting out a card.
- Expand or contract indexed sections as you add or remove names.
- Avoid crossing out old addresses and squeezing in corrections.

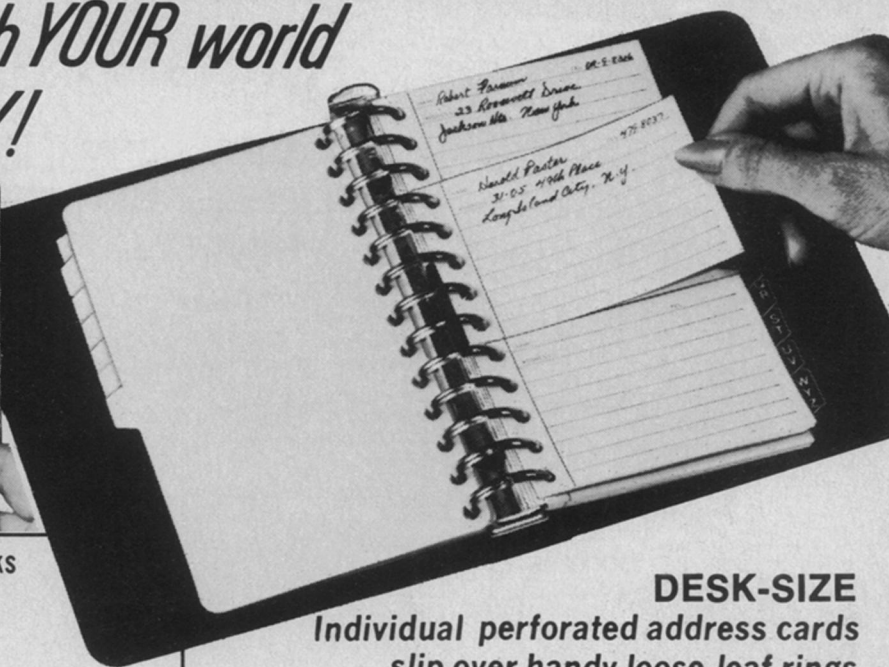

At last, you don't have to thumb through a messy, outdated address book trying to find the name you want. Because our Lifetime Address Books keep you perfectly organized and up to date! When you want to change an address or telephone number, just write it on one of our perforated cards . . . then pull out the old card and insert the new one into the loose-leaf rings. You never have to cross out old addresses or squeeze in corrections!

These Lifetime Address Books have a long list of advantages. You add new names in their proper alphabetical order—so you can quickly find the ones you want. The indexed sections can be expanded or contracted as you add or remove names. (When you fill up the A's, B's, etc. in an ordinary address book, you have to write new names in another section or start another book.)

Both Lifetime Address Books have handsome, sturdy black leatherette covers. The 5" x 7¼" Desk-size edition includes 100 perforated cards. The 3" x 5" Pocket edition—attractively embossed in gold lettering—contains 150 perforated cards. And it's just the right size for a pocket or purse! Both books have A to Z index separators—lie flat when flipped open to the page you want. (Which is a real blessing when you're phoning from a telephone booth!)

Order your Lifetime Address Books today! Desktop Address Book for home and office, only \$4.99 (100 Refill Cards—\$1.39). Pocket Address Book, only \$2.99! (150 Refill Cards—89¢.)
