

## ALL ABOUT ARIZONA

—the healthful state, where it's great to live and vacation

Just as a road map shows you how to reach your destination, Thomas B. Lesure's big book, **All About Arizona, the healthful state**, leads you to whatever you want in this fast growing state of sun and scenic wonderlands.

### What do you want to know about Arizona?

Where's the best place to retire at low cost? Where are summers cool? Winters, sunny most of the time? Where are the best areas for a job or a business of your own? For a home? What must a newcomer watch out for when buying land . . . or a home? How high are taxes? Is it true that living costs are less than in the East? What about salaries . . . schools for my children . . . my health?

Or do you want to tour this Grand Canyon State? What's the best way to see Arizona by car (or otherwise)? What is really worth seeing along the roads and down interesting side roads? Or in the cities, the national parks and the other four-star sights? What are those world-famous but relatively unknown four-star sights overshadowed by spectacular Grand Canyon? What is really the best way to see the Grand Canyon? The Indian reservations? The other Canyons? Which are the best places to eat and stay along the way?

### What are the sure ways to cut travel costs in this big state?

Filled with facts, over a hundred thousand words in length, **All About Arizona, the healthful state** almost brings Arizona to your door, answering these and a hundred other questions and giving you a richer, better picture of Arizona than many people have after living there for years.

To know all you should about Arizona before you go for a home, a job, a business of your own, retirement in the sun, or a vacation you'll always remember, read **All About Arizona, the healthful state**. Price only \$2.95.

## Where to RETIRE OR VACATION

At What Look Like Pre-inflation Prices

In **Off-the-Beaten Path**, the best-selling book by Norman Ford, you read of island paradises aplenty in the United States and Canada, of art colonies (artists search for picturesque locations where costs are low!), of areas with almost a perfect climate or with flowers on every side.

Here are the real U.S.A.-brand Shangri-Las made for the man or woman who's had enough of crowds. Here, too, are unspoiled seashore villages, tropic like islands, and dozens of other spots just about perfect for retirement or vacation at some of the lowest prices you've heard of since the gone-for-ever pre-inflation days. And for good measure you also read about the low-cost paradises in Hawaii, the Virgin Islands, and Puerto Rico.

You can be sure that **Off-the-Beaten-Path** names the low-cost Florida retirement and vacationing towns, the best values in Texas, the Southwest, California, the South and East, Canada—and a dozen other areas which the crowds have not discovered:

- That undiscovered region where winters are as warm as Miami Beach's yet costs can be two-thirds less.
- That island that looks like Hawaii yet is 2000 miles nearer (no expensive sea or air trip to get there).
- France's only remaining outpost in this part of the world—completely surrounded by Canadian territory . . . or a village more Scottish than Scotland or age-old Spanish hamlets right in our own U.S. where no one ever heard of nervous tension or the worries of modern day life.
- Resort villages where visitors come by the score, so you always meet new people . . . but they never come by the thousands to raise prices or crowd you out!

**Off-the-Beaten Path** is a big book filled with facts that open the way to a different kind of retirement or vacation made all the more attractive by the rock-bottom prices. About 100,000 words. Yet it costs only \$2.50.

## HOW TO TRAVEL BY FREIGHTER

For no more than you'd spend at a resort you can take a never-to-be-forgotten cruise to Rio and Buenos Aires. Or through the West Indies or along the St. Lawrence River to French Canada. In fact, trips to almost everywhere are within your means.

And what accommodations you get: large rooms with beds (not bunks), probably a private bath, lots of good food and plenty of relaxation as you speed from port to port. Depending upon how fast you want to go, a round-the-world cruise can show you every continent on earth. And there are shorter trips. Fast, uncrowded voyages across the Atlantic to France, the Mediterranean; two- or three-week vacations up and down the Pacific Coast or elsewhere. Name the port and the chances are you can find it listed in **Travel Routes Around the World**. This is the book that names the lines, tells where they go, how much they charge, briefly describes accommodations. Hundreds of thousands of travelers all over the world swear by it. Travel editors and travel writers say: "To learn how to travel for as little as you'd spend at a resort, get **Travel Routes Around the World**."

It's yours for just \$1.50, and the big new edition includes practically every passenger-carrying service starting from or going to New York, Canada, New Orleans, the Pacific Coast, Mexico, South America, England, France, the Mediterranean, Africa, the Indies, Australia, the South Seas, Japan, Hawaii, etc. There's a whole section called "How to See the World at Low Cost."

## WHERE WILL YOU GO IN FLORIDA?

FLORIDA needn't be expensive—not if you know just where to go for whatever you seek in Florida. And if there's any man who can give you the facts you want it's Norman Ford, founder of the world-famous Globetrotters Club.

His big book, **Norman Ford's Florida**, tells you, first of all, road by road, mile by mile, everything you'll find in Florida, whether you're on vacation or looking over job, business, real estate, or retirement prospects.

Always he names the hotels, motels, and restaurants where you can stop for the best accommodations and meals at the price you want to pay. For that longer vacation, if you let Norman Ford guide you, you'll find a real "paradise"—just the spot which has everything you want.

Of course, there's much more to this big book.

### If You Want a Job or a Home in Florida

NORMAN FORD tells you just where to head. His talks with hundreds of personnel managers, business men, real estate operators, state officials, etc., let him pinpoint the towns you want to know about, if you're going to Florida for a home, a job with a future, or a business of your own. If you've ever wanted to run a tourist court or own an orange grove, he tells you today's inside story of these popular investments.

### If You Want to Retire on a Small Income

NORMAN FORD tells you exactly where you can retire now on the money you've got, whether it's a little or a lot. (If you need a part-time or seasonal job to help out your income, he tells you where to pick up extra income.) Because Norman Ford always tells you where life in Florida is pleasant on a small income, he can help you take life easy now.

Yes, no matter what you seek in Florida—whether you want to retire, vacation, get a job, buy a home or start a business—**Norman Ford's Florida** gives you the facts you need to find exactly what you want. Yet this big book with plenty of maps and well over 100,000 words sells for only \$3.00—only a fraction of the money you'd spend needlessly, if you went to Florida blind.

## FABULOUS MEXICO

—where everything costs less

### The land of retirement and vacation bargains—that's Mexico

Where an American retirement income looks like a fortune. And your vacation money can buy double or more what it might back home—provided you know where to go for Mexico's best values.

Norman Ford's big book **FABULOUS MEXICO—WHERE EVERYTHING COSTS LESS** tells you exactly where to get all this country's best vacation and retirement values, where you can live like a prince on what you might just get along on in the U.S.A.

Norman Ford knows Mexico from north to south, from east to west, and he takes you to vacation areas that look more like the South Seas than Tahiti itself; to whole sections of just perfect weather where it's like June all year round; plus resort after resort, towns, cities, spas, and what not else where you'll have a vacation to remember at a cost so low it could seem unbelievable.

If you want a delightful retirement area with plenty of Americans around to talk to, he leads you to all the principal retirement towns, as well as dozens of little known, perhaps even more delightful areas, where costs are way far down, there's plenty to do and meeting people is easy.

Always he shows you modern, flower-bedecked hotels and inns that charge hardly half of what you might expect to spend in even such a land of vacation and retirement bargains as Mexico.

There's a great deal more besides; everything from exploring ancient pyramids as old as Egypt's to finding fabulous hunting and fishing. If you might want to share in the high interest rates Mexican banks pay or to buy equally high-earning real estate or start a business of your own, this detailed guide to a fabulous land tells you what you must do to start your money earning so much more than in the U.S.

**FABULOUS MEXICO—WHERE EVERYTHING COSTS LESS** opens up Mexico to you. It's a big book, yet it costs only \$2.50. So send for yours today.

## DO YOU KNOW WHERE TO FIND

\* The greatest retirement bargain in Florida? The most beautiful town in all California? The top-notch retirement communities in Arizona and New Mexico? The one place in the U.S. with the world's most perfect climate? The ideal island for retirement in the South with cool summers and warm winters? The one unspoiled retirement paradise in all the East?

These are only a handful of the hundreds of beauty spots, hideaways, and other places in the U.S. where you can retire now on little money and enjoy yourself completely.

**Where to Retire on a Small Income** selects out of the thousands of communities in the U.S. and its island territories only those places where living costs are less, where the surroundings are pleasant, and where nature and the community get together to guarantee a good time from fishing, boating, gardening, concerts, or the like. The book never overlooks the fact that some people must get part-time or seasonal work to pad out their income.

It covers cities, towns, and farms throughout America—from New England south to Florida, west to California and north to the Pacific Northwest. It includes both Hawaii and the American Virgin Islands. Some people spend hundreds of dollars trying to get information like this by traveling around the country. Frequently they fail—there is just too much of America to explore!

**Where to Retire on a Small Income** saves you from that danger. Yet the big NEW edition costs only \$2.95.
