## BERNSTEIN'S REVERSE DICTIONARY

BY THEODORE M. BERNSTEIN Consulting Editor of  
*The New York Times* with the collaboration of  
Jane Wagner

*The Reverse Dictionary* is not like a conventional dictionary which lists words alphabetically and gives you their meanings. What this unconventional dictionary does is list an array of meanings alphabetically and then gives you the words.

*The Reverse Dictionary* is just what you need when groping for just the right word. You will never have to settle for the "second-best" word. You will never end up a letter, a report, an article, a term paper—anything—knowing you didn't use the exact words you wanted to use but just couldn't think of.

13,390 entries, plus a long index—filling in word gaps, coming to your rescue whenever you need it. \$10.00
