CHEMISTRY  
OF CANCER

## Mrs. Byrne's Dictionary of Unusual, Obscure, and Preposterous Words

Then I found *Mrs. Byrne's Dictionary*. Now I can be unusual, obscure and preposterous by turns. Now I don't need an unabridged to go along with my collegiate. For entertainment now, I browse instead of groak (watching people silently while they eat, hoping they'll ask you to join them). I don't care anymore that we have a kakistocracy (government or rule by the worst).

# GARDYLOO!

Leslie Hanscom in *Newsday*: "You can dip in anywhere and come up with pay dirt . . . hundreds of words to stand your hair on end. Only a clinchpoop could scan these pages without a feeling of awe at the undiscovered boundaries of the English tongue!"

Donald B. Thackery of *United Press International*: "A dictionary you can browse through and read like a book . . . a dictionary that will give great pleasure to many. Every page contains at least one nugget."

At your favorite bookshop or order directly from the publisher, using the handy coupon below.

Please send me by return mail a copy of MRS. BYRNES DICTIONARY for which I enclose \$12.50 plus \$1 for postage and shipping.
