ANCIENT STARGAZERS

IF YOU HAVE A GUT FEELING THAT SOMETHING IS WRONG— YOU ARE RIGHT!

No Chief Executive of a Global Corporation Would Dare to Write a Book Like This. But Rod Petersen Quit That Kind of Job to Research and Write *"The Philosophy of a Peasant."*

This book could shock you and make you angry — you may disagree — but it will make you think. It offers hope for the future with bold new perspectives — new ideas — new approaches to our social, economic and political problems. Sometimes radical — sometimes conservative — sometimes liberal — but always logical.

Chapters on: Inheritance and Wealth ... Peasants, Intellectuals and Aristocrats ... Population and Collision ... Energy ... Inflation ... Education ... Communication ... Religion ... The Moralities ... Racism and Discrimination ... Taxation, Representation and the Vote ... Government ... Management ... The City ... The Corporation ... The Media ... Advertising ... Law and Order ... Public Morality ... Weapons in the Home and on the Person ... Conservation and Environmentalism ... The Military, Welfare Services and Human Resources ... Medical Care and Health Services ... Our Future.

People in business seldom speak out. Petersen has. He writes from the vantage point of a brilliant business career — from the bottom to the top — capped by years of research. Now successful in his own ventures, without the umbrella of a huge corporation, he writes exactly as his intellect and his conscience dictate — with no holds barred.

"It had to be done," says the author. "We don't have much time. Our young people must have some reason for which to live, and some rules by which to live. They want the truth."

554 pages of easy-to-read print in premium quality hardcover binding and jacket.
