SPI, the world's largest publisher of historical simulation games, wants you to subscribe to **Strategy & Tactics** — a fascinating and authoritative bi-monthly magazine of military history. Because we're confident that exposure to **Strategy & Tactics** and simulation gaming will be the beginning of a long-term customer and reader relationship with SPI, we'd like to give you a free, full-fledged simulation game to start you off (see description at right). Moreover, **Strategy & Tactics** itself has a simulation game in *every* issue (as a companion piece to its main article) so you'll get a new game as part of each issue in your subscription. **Strategy & Tactics** and SPI games are a fresh and exciting way to gain insights into the great conflicts of history. This offer is open only to brand new subscribers. Act now!

With the first issue of your new subscription to *S&T* we'll send you a free copy of *The Creature That Ate Sheboygan*, where you control policy and national guard units, fighting for their lives and home; or take the part of any of a variety of destruction-dealing monsters — giant apes, terrible lizards, spiders the size of roller rinks. Includes fewer than 100 cardboard playing pieces (for easy playability), 11" x 17" map, and complete rules, all folding to a handy 5½ x 8½ size that slips into a re-usable envelope.
