This amazing offer is being made for one reason only—to quickly introduce LAWSON HILL to every reader of this publication!

Yes—for the price of ordinary, synthetic shoes—you get the incomparable all-leather BRITISH WALKERS, the very same BRITISH WALKERS that created footwear history when they were first introduced.

Skilled craftsmen have lavished all their artistry and experience on these beauties that know few equals. They have rich-grained calfskin uppers . . . full calfskin linings . . . double-leather soles . . . storm welt construction. Best of all, they're made on genuine American lasts to fit American feet. This all adds up to the finest, most comfortable shoes you've ever owned. Unlike imitation leathers, the supple calfskin "breathes," flexes with your foot as only true prime leather can.

Take your choice of brown, black, or cordovan wing-tips;

brown or cordovan plain toe classics. Because LAWSON HILL specializes in hard-to-fit sizes, the size range is as extraordinary as the quality.

FREE 10-DAY TRIAL

You may not be able to appreciate this remarkable value until you've actually seen these handsome BRITISH WALKERS and tried them out. That's why we invite you to send for your size and wear them (inside and outside) for 10 days at our risk. Enjoy the "feel" of the fine calfskin and double leather soles. Only then decide whether you keep them or return them for your \$49.88 back. But, please, no more than two pair per family. Mail the coupon today.
