**Makes ordinary telephones obsolete!**

**NEW "SPEAK-EASY" HANDS-FREE TELEPHONE**

- Unique speaker phone!
- Installs anywhere in seconds!
- Redials busy numbers automatically!
- Great conference phone!
- Lets you listen without being overheard!

**Now! The convenience you only dreamed was possible**

You probably thought a telephone this advanced and imaginative existed only in motion pictures. Or was available only to tycoons who could afford to pay a small fortune and have one custom designed. *Well you were wrong!* Because now, through this exclusive direct-mail offer, you can place calls, carry on conversations and more with the high-convenience features you've always wanted!

**The phone of the future... Today!**

Unlike ordinary telephones, the Speak-Easy requires no bulky magnets and ringer systems. Instead, the futuristic Speak-Easy complete telephone utilizes highly advanced miniaturized micro components and a tiny yet powerful condenser microphone that's so sensitive, it picks up your voice clearly from across the room! But that's just the beginning...

**Check out all these advantages...**

Imagine! While the Speak-Easy is sitting on your desk or table, you merely press the "ON" button, quickly touch-dial your number and speak normally while your hands are free to continue your work! And, you'll really appreciate the Speak-Easy's unique...

**Privacy feature!**

This great feature is as useful to homemakers as it is to executives. You see, the Speak-Easy has a really handy "MUTE" button that, when pressed, allows you to continue listening to the party on the other end but prevents him from hearing you or anyone in the room with you. Think of how useful that will be when you're discussing confidential information with a nearby colleague when a client's on the line. Or when there are other distracting background noises going on that you don't want transmitted.

**Use it like a regular phone, too**

When you don't wish your conversation to be overheard by someone else in the room with

you, just pick up the Speak-Easy and right under your fingertips you'll discover two highly sensitive volume control buttons that enable you to converse in total privacy.

**Even automatic re-dialing!**

What a time and energy saver! The Speak-Easy actually has a built-in memory that, with the touch of the "RE" button, automatically redials the last number when you reach a busy signal. This feature alone makes the Speak-Easy phone perfect for today's hectic lifestyles!

**Works on any phone system**

Right! Even if your area is only set up for rotary dialing systems, you can use the new Speak-Easy phone without any complications. Works on all single line phones. And comes equipped with a micro-modular jack. Merely plug it in yourself and forget about calling in a costly installer.

**Special Introductory Offer**

During our national introduction, we're offering the amazing hands-off Speak-Easy telephone by mail for just \$129.95. What's more, if for any reason you're not 100% satisfied with this exciting new innovation, feel free to return it within 30 days and we'll send you a prompt and total refund. No questions asked!

24 Hours A Day—7 Days A Week

**Math Without Tears**

Using non-technical language and a light touch Roy Hartkopf gives you a basic understanding of many everyday applications of mathematics. He takes the reader from simple counting to trigonometry and calculus, emphasizing the practical aspects of math. Humorously written. Learn math in the comfort of your own home at minimum cost.

\$8.95 plus 95¢ handling

**How to Argue and Win!**

Here is a clear simply written basic guide to logical thinking, showing how to spot the fallacies, the prejudices and emotionalism, the inappropriate analogies, etc., in the other fellow's argument and how to watch for and avoid the irrational in your own judgments. The author makes plain not only how but also why people resist facing the truth.

A tool for clear thinking as well as convincing others. **ORDER NOW:**

**THE ART OF ARGUMENT** by Giles St. Aubvn

# GREAT SCIENCE FICTION

You get savings up to 65% off Publishers' Editions when you join the Science Fiction Book Club!

## Here's How The Book Club Works:

Savings start when you join. Once your application for membership is accepted, you'll receive your choice of any 4 books on this page for only 10c (plus shipping and handling). If not delighted, return them within 10 days. Membership will be cancelled and you'll owe nothing.

You get 2 selections every month at up to 65% off publishers' prices.

About every 4 weeks (14 times a year), we'll send you the Club's bulletin, *Things to Come*, describing the 2 coming Selections and a variety of Alternate choices. If you want both Selections, you need do nothing; they'll be shipped automatically. If you don't want a Selection, or prefer an Alternate, or no book at all, just fill out the convenient form always provided, and return it to us by the date specified. We allow you at least 10 days for making your decision. If you don't receive the form in time to respond within 10 days and receive an unwanted selection, you may return it at our expense.

After joining, take as few as 4 books in the coming year to keep your membership privileges.

As a member you need take only 4 Selections or Alternates during the coming year. You may resign any time thereafter, or remain a member as long as you wish. One of the two Selections each month is only \$2.49. Other Selections are slightly higher, but always much less than hardcover Publishers' Editions. A shipping and handling charge is added to each shipment. Send no money. But do send the coupon today.

## TAKE ANY 4 BOOKS FOR 10¢ WITH MEMBERSHIP IN The Science Fiction Book Club
