

If you have a special little niece, a grandson or other favorite child

**Give the gift that turns on a child's mind.**

Give HIGHLIGHTS, the world's most honored magazine for children two to twelve. It motivates. It challenges. It's an enjoyable learning experience all through the year.

There's a wide range of stories, mind teasers, factual features, poetry, hidden pictures, music and creative crafts. All prepared by parents who are both teachers and psychologists.

It's fun. But fun with a purpose: to help every child, from pre-reader to pre-teen, learn to read and reason.

HIGHLIGHTS contains no advertising and it is not available on any newsstand. It is sold by subscription only.

Somewhere in your life, there's probably a child whose world would become a little bit brighter and more meaningful with a gift of HIGHLIGHTS.
