*For years I suffered terribly from*

*until a nice doctor friend prescribed*

**Mrs. Byrne's Dictionary  
of Unusual, Obscure, and Preposterous Words**

Yes, for years I couldn't remember the right words. People I considered complete idiots were finishing my sentences for me. I was leaving blanks in my love letters and suicide notes. I found how bleak the future was when I tried a little cephalonamancy (fortunetelling by boiling an ass head), and tyromancy (fortunetelling by watching cheese coagulate).

I went from doctor to doctor looking for help, finally becoming a confirmed iatrapistiac (one having little faith in doctors), especially when one suggested I needed a hepaticocholangiocholecystenterostomy (look it up).

Then I found *Mrs. Byrne's Dictionary*. Now I can be unusual, obscure and preposterous by turns. Now I don't need an unabridged to go along with my collegiate. For entertainment now, I browse instead of groak (watching people silently while they eat, hoping they'll ask you to join them). I don't care anymore that we have a kakistocracy (government or rule by the worst).

*Mrs. Byrne's Dictionary* by Josefa Heifetz is better than omphaloskepsis!

**GARDYLOO!**

Herb Caen in the *San Francisco Chronicle*: "Wildly funny!"

Leslie Hanscom in *Newsday*: "You can dip in anywhere and come up with pay dirt . . . hundreds of words to stand your hair on end. Only a clinchpoop could scan these pages without a feeling of awe at the undiscovered boundaries of the English tongue!"

Nels Nelson in the *Philadelphia Daily News*: "A treasure! We should all kiss the publisher's feet!"

Camilla Snyder in the *Los Angeles Herald-Examiner*: "Hilariously useful . . . delicious!"

Donald B. Thackrey of *United Press International*: "A dictionary you can browse through and read like a book . . . a dictionary that will give great pleasure to many. Every page contains at least one nugget."

Sydney J. Harris in the *Chicago Daily News*: "There is no comparable work; I unreservedly recommend it."

**NOW — Lose up to  
31 lbs. a month  
yet eat up to 4 lbs.  
of food a day!**

Here at last is the *complete PRITIKIN PROGRAM* for Diet & Exercise developed by Nathan Pritikin at the famous Longevity Center in California — the program that abolishes the fatigue accompanying many famous high-protein diets. Now you can lose up to 7 pounds a week — safely and effectively — using the **MAXIMUM WEIGHT LOSS DIET** yet *eat all day long!* Most important, this diet requires no medical supervision. You can follow it yourself your entire life.

Want to maintain your weight — halt or reverse symptoms of heart disease, hypertension, poor circulation, memory failure, diabetes, and other degenerative diseases? Then, the Pritikin Program's sensible diet is for you. Based on avoiding 7 "no-no" foods it can be the beginning of a brighter outlook on life. Add a gentle but effective exercise program and, according to Mr. Pritikin, "you'll go swimming with your greatgrandchildren when your peers are all dead or playing checkers in a nursing home."

*THE PRITIKIN PROGRAM* also includes 300 recipes — many never before published anywhere — a vast and taste tempting array of dishes for singles, families, and gourmet cooks — every recipe low in fat and cholesterol and high in taste appeal. And because this diet costs approximately one-third less than others, you save handsomely on your food bills.

Finally, you'll read truly inspiring stories, fully documented by Mr. Pritikin, of people who have experienced gratifying, dramatic, and often seemingly miraculous results by following the Pritikin Program. For those who wish to quit smoking, this fabulous plan permits you to stop while you lose weight *at the same time.*

So, if you want to live longer, and *feel better than ever* fast, order this marvelous book today!
