Thousands have paid as much as \$29.95 each for these insider reports. Now you're invited to select any two—**ABSOLUTELY FREE**—as your introduction to the American Entrepreneurs Association.

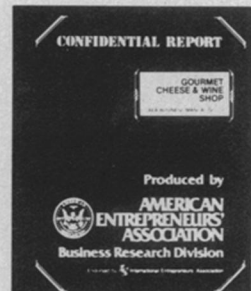

The American Entrepreneurs Association is one of the world's most unusual organizations. It's dedicated to one thing only—*helping you become financially independent by doing things your own way.* And although you may never have heard of us, we have over 104,000 members—*of whom 750 are already millionaires.*

How do we help our members make so much money? Well, one of the most important ways is by publishing *Confidential Money Opportunity reports like those featured on this page.* And, to introduce you to our organization, *we'd like to invite you to choose any two reports from this page—absolutely free. No obligation.* Along with your free reports we'll send you the fascinating story of the American Entrepreneurs Association, how it was founded, and how it has managed to help so many people make so much money.
