

Mystery Electronic Top

Greatest New Gadget In Years

A Look into the Future!

Spins for days on Invisible Power

Unique Christmas Gift

What makes it Go On and On and On at 2500 r.p.m. with no apparent energy source? **BAFLING BRAIN BUSTER** that **BUGS** the **BRIGHTEST**. Demonstrated at science fairs and conventions. The higher their IQ the more puzzled they are.

Handsome Gift Box

Perpetual Motion solved at last? The answer to UFO & Flying Saucer? Let the whiz kids examine it, start it, stop it or whatever. Psychic Power? Anti-Gravity? Scientific Breakthru from Space? You'll laugh at some explanations. Magic, Mystery & Science combined. Keeps spinning **WITHOUT ANY APPARENT ENERGY LOSS!** Fascinating fun at parties, science classes, etc. Carry in pocket ready to fool and entertain friends & wise-guys. Never wears out. Spins for days on **invisible Wireless Power** that you can defy anyone to See, Understand or Explain! Beautifully made with plastic base and saucer shaped spinner. Patented. Complete with secret scientific explanation. Orders shipped promptly. **Money Back Guarantee.** Send check or money order for \$8.50 each. Add \$1.00 shipping & handling. Save: Get 3 for \$24.25 plus \$1.25 shipping; 6 for \$45.95 plus \$1.50 shipping. **Master Charge or Visa** accepted by mail or phone. Give card number & expiration. Phone: (313) 791-2800. Johnson Smith Co., 35075 Automation Dr., Dept. 125 Mt. Clemens, Mich. 48043.

SUPER MAGNET Lifts 175 Pounds

Powerful, pocket-size magnets lift up to 175 pounds solid steel. Tested & proven on steel blocks! Stronger than any other magnet of comparable size. Go treasure hunting. Do amazing stunts! Fish underwater! 1001 uses 3 sizes & styles: 50 lb. lift magnet, 2" long \$3.50 each; 100 lb. lift magnet, 4" long with handle, \$6.50 each; 175 lb. lift magnet, 4 1/2" long with handle, \$12.95 each. Add \$1.00 shipping & handling. Johnson Smith Co., Dept. 125 35075 Automation, Mt. Clemens, Mich. 48043.

Sound Activated Switch — \$1.95

SURPLUS BARGAIN! Turns on lights, bells, horns, sirens, alarms, tape recorders, wireless mikes, etc. Operates by voice, whistle or almost any sound from across room! Hundreds of fun & practical uses. Do mysterious tricks & stunts. Great for experimenters, electronic bugs. **NOT A KIT.** Completely assembled, wired. Includes sensitive switch which receives sonic signal, transistorized relay circuit & electronic switch, crystal mike, schematic. Limited quantity electronics surplus. \$1.95 each, 2 for \$3.00. Add 75¢ handling. Johnson Smith Co., Dept. 125 35075 Automation, Mt. Clemens, Mich. 48043.

Revolving Signal Light

Warning Light & Safety Signal. Should be in every car. Also for boats, emergencies or even party fun. Brilliant, powerful rotating beam. High visibility day or night. Chrome finish. Suction base for quick mounting. 5" high, 4" diameter. With red lens. Uses standard batteries. **Send \$7.95 each.** Add \$1.75 shipping & handling. Also available as deluxe 12 volt model with 3 changeable lenses (red, yellow, blue) & 1 1/2" cigarette lighter plug. **Send \$10.95 each.** Add \$2.25 shipping & handling. Johnson Smith Co., Dept. 125 35075 Automation, Mt. Clemens, Mich. 48043.

"The Most Important Mathematical Discovery of the 20th Century"

That is what Professor James R. Meginniss (Harvey Mudd College) said about non-Newtonian calculus, the first new differential and integral calculus in 300 years. *Non-Newtonian Calculus* is a self-contained presentation by the originators. The price is \$15.70 postpaid. If for any reason you are not satisfied, you may keep the book and we shall send you a full refund immediately. Send your check or money order to **Newton Institute** Box 93, Rockport, MA 01966

RAISED RELIEF MAPS

SHOW A LOT MORE... of the terrain of the eastern/western regions of the U. S. Mainland and Hawaii.

See the Adirondacks, Appalachians, Rockies, Sierras and other great outdoor areas in 3-D. Printed in 6 colors, these 22"x33" maps each represent approximately 70x110 miles and provide accurate visual information about:

Wooded areas — Mountains, hills and valleys — Streams, lakes and reservoirs — Elevation contours — Political boundaries — Urban areas and roads — Landmarks.

Reference for: Fishing — hunting — skiing — camping — backpacking — flying.

Send coupon for free index map/order form.

(Dealer Inquiries invited.)

The first personal computer for under \$200.

The Sinclair ZX80.
A complete computer—
only \$199.95 plus \$5.00 shipping.

Now, for just \$199.95, you can get a complete, powerful, full-function computer, matching or surpassing other personal computers costing several times more.

It's the Sinclair ZX80. The computer that "Personal Computer World" gave 5 stars for 'excellent value.'

The ZX80 cuts away computer jargon and mystique. It takes you straight into BASIC, the most common, easy-to-use computer language.

You simply take it out of the box, connect it to your TV, and turn it on. And if you want, you can use an ordinary cassette recorder to store programs. With the manual in your hand, you'll be running programs in an hour. Within a week, you'll be writing complex programs with confidence.

All for under \$200.

Sophisticated design makes the ZX80 easy to learn, easy to use.

We've packed the conventional computer onto fewer, more powerful LSI chips—including the Z80A microprocessor, the faster version of the famous Z80. This makes the ZX80 the world's first truly portable computer (6½" x 8½" x 1½" and a mere 12 oz.). The ZX80 also features a touch sensitive, wipe-clean keyboard and a 32-character by 24-line display.

Yet, with all this power, the ZX80 is easy to use, even for beginners.

Your course in computing.

The ZX80 comes complete with its own 128-page guide to computing. The manual is perfect for both novice and expert. For every chapter of theory, there's a chapter of practice. So you learn by doing—not just by reading. It makes learning easy, exciting and enjoyable.

You'll also receive a catalog packed with items that can make your ZX80 even more useful. Including 27 program cassettes, from games and home budgeting for just \$6.95, to Sinclair's unique Computer Learning Lab. And books, hardware options and other accessories.

ZX80's advanced design features.

Sinclair's 4K integer BASIC has performance features you'd expect only on much larger and more expensive computers.

- Unique 'one touch' entry. Key words (RUN, PRINT, LIST, etc.) have their own single-key entry to reduce typing and save memory space.

- Automatic error detection. A cursor identifies errors immediately to prevent entering programs with faults.
 - Powerful text editing facilities.
 - Also programmable in machine code.
 - Excellent string handling capability—up to 26 string variables of any length.
 - Graphics, with 22 standard symbols.
 - Built-in random number generator for games and simulations.
- Sinclair's BASIC places no arbitrary restrictions on you—with many other flexible features, such as variable names of any length.
- And the computer that can do so much for you now will do even more in the future. Options will include expansion of 1K user memory to 16K, a plug-in 8K floating-point BASIC chip, applications software, and other peripherals.

Order your ZX80 now!

The ZX80 is available only by mail from Sinclair, a leading manufacturer of consumer electronics worldwide.

To order by mail, use the coupon below. But for fastest delivery, order by phone and charge to your Master Charge or VISA. The ZX80 is backed by a 30-day money-back guarantee, a 90-day limited warranty with a national service-by-mail facility, and extended service contracts are available for a minimal charge.

Price includes TV and cassette connectors, AC adaptor, and 128-page manual.

All you need to use your ZX80 is a standard TV (color or black and white). The ZX80 comes complete with connectors that easily hook up to the antenna terminals of your TV. Also included is a connector for a portable cassette recorder, if you choose to store programs. (You use an ordinary blank cassette.)

The ZX80 is a family learning aid. Children 10 and above will quickly understand the principles of computing—and have fun learning.

Master Charge or VISA orders call: (203) 265-9171. We'll refund the cost of your call.

Information: General and technical—(617) 367-1988, 367-1909, 367-1898, 367-2555. Phones open Monday-Friday from 8 AM to 8 PM EST.
