How to become a SUCCESSFUL CONSULTANT in your own field.

Have you ever wished you could quit your job and start working for yourself?

Well, maybe you can! Many people are amazed when they discover the tremendous amount of professional experience and specialized knowledge they've accumulated — experience and knowledge that others will gladly pay for. Literally thousands of people who made that discovery are now prospering as independent consultants.

The way to begin is by reading *How to Become a Successful Consultant in Your Own Field*, by Hubert Bermont.

Clear, straightforward, packed with solid information and advice, this authoritative manual tells you everything you need to know to establish your own independent consulting practice. Here's a sampling of the contents:

- What does it take to be a successful consultant? (See Chapter 1.)
- How to get started. (See Chapter 3.)
- How to operate your business — a collection of "tricks of the trade." (See Chapter 5.)
- What to charge your clients — plus five helpful rules on fees. (See Chapter 6.)
- Why you should **never** work on a contingency (speculative) basis. (See Chapter 7.)
- Ingenious ways to promote yourself — and make people want your services. (See Chapter 9.)
- Contracts: why you should **avoid** them at all costs. (See Chapter 10.)
- Just what do consultants do all day? (See Chapter 11.)
- How to market your ideas. (See Chapter 11.)
- Why you'll never have to worry about competition. (See Chapter 13.)
- And much more!

Perhaps no one is better qualified to have written this book than Hubert Bermont. He has served as consultant to more than 70 major corporations and trade associations, including the U.S. Chamber of Commerce, McGraw-Hill, the Electronic Industries Association, Evelyn Wood Reading Dynamics and the Smithsonian Institution. Yet he made the decision to become a consultant only after being fired from an executive position at the age of 43. You'll learn first-hand how he did it — and how you can do it, too!

How to Become a Successful Consultant in Your Own Field is just \$20 (tax-deductible if you use it for business purposes), and you're fully protected by this **unconditional money-back guarantee**: Keep the book for three weeks. If you're dissatisfied with it for any reason whatever, simply return it and **every penny of your \$20 will be promptly refunded** — no questions asked!

How many times have you told yourself that you're not getting anywhere — that it's time to think seriously about a major change in your career? **Don't put it off another day!** Clip and mail the coupon now!

Enclosed is my check or money order for \$20. Rush me, postpaid, *How to Become a Successful Consultant in Your Own Field*, by Hubert Bermont. I understand that I have the right to return the book within three weeks for a complete refund if I'm in any way unhappy with it.

Is your child college-bound?

This complete home-study course shows how to master the techniques of the Scholastic Aptitude Test.

This remarkable course consists of the new 372-page book, *How to Take the SAT*, and accompanying audio cassettes that carefully guide the listener through the text. The course was created by Marcia Lawrence, whose instruction has helped thousands of high school students maximize their SAT scores and win acceptance by the college of their choice.

Unlike other SAT books, this unusual course is not simply a collection of sample tests. Instead, it's a crash course in the techniques of test-taking. It helps the student *get inside the heads of the test-makers*. Because he learns how the questions are constructed, he has a better chance of determining the correct answers.

"Every answer is built right into the test," says Ms. Lawrence. "My course shows the student how to dig it out."

Step by step, Marcia Lawrence leads the listener through a series of typical SAT questions. She shows how to spot key clues, how to eliminate wrong choices, and how to zero in on the right answer—time after time.

TO ORDER, JUST CLIP THIS AD and mail it with your name and address, and a check or money order for \$19.95. Or charge to your credit card (American Express, Master Charge or Visa) by enclosing your card number, expiration date, and signature. (New York State residents add applicable tax.)

You're fully protected by Audio-Forum's **unconditional money-back guarantee**: If you're dissatisfied with the course for any reason, return it within three weeks for a prompt and full refund.

The Scholastic Aptitude Test is the most important exam of anyone's life. Unfortunately, high schools don't bother to teach students how to prepare for the SAT.

Now there's a solution: The complete *SAT Home-Study Course*. It can help improve the test scores of *any* college bound student.
