How to Argue and Win!

Here is a clear simply written basic guide to logical thinking, showing how to spot the fallacies, the prejudices and emotionalism, the inappropriate analogies, etc., in the other fellow's argument and how to watch for and avoid the irrational in your own judgments. The author makes plain not only how but also why people resist facing the truth.

A tool for clear thinking as well as convincing others.

THE ART OF ARGUMENT by Giles St. Aubyn

GEM TESTING

FOR FUN AND PROFIT

This exciting pursuit combines the challenge of detective work . . . the thrill of spotting sensational "buys" . . . the satisfaction of knowing when someone else's big flashy "diamond isn't . . . and the opportunity for highly paid, spare-time earnings. GEM TESTING, bible of amateur and professional alike, is a remarkably simple, lavishly illustrated book by B. W. Anderson, director of London's world famed Precious Stone Laboratory. Anderson has examined more gems than any man in history.

Now he shows you step-by-step the high speed methods by which he unerringly identifies precious stones. Emphasis throughout the book is on rapid examination with the naked eye. This **FIRST AMERICAN EDITION** of GEM TESTING tells, shows and explains everything you need to know. Copiously illustrated.

How to create and market A SUCCESSFUL SEMINAR OR WORKSHOP

Have you ever wished you could make a lot of money in your own business by offering a seminar or workshop on your expertise?

Well, you probably can! Many people are amazed when they discover that others will gladly pay for knowledge packaged as seminars and workshops. Literally thousands of people who made that discovery are now prospering as **seminar promoters and presenters**.

The way to begin is by reading *How to Create & Market a Successful Seminar or Workshop* by Howard L. Shenson.

Clear, straightforward, packed with solid information and advice, this authoritative manual tells you everything you need to know to establish your own profitable seminar. Here's a sampling of the contents:

- How to test-market.
- How to get **free** advertising.
- How to get **others** to pay for your marketing.
- How to get advance registrations!
- How to get sponsorship.
- How to handle the roll-out.
- Why you should **never** invest a lot of money.
- How to determine the salability of your topic.
- How much to charge.
- And much more!

How to Create & Market a Successful Seminar or Workshop is just \$27 (tax-deductible if you use it for business or professional purposes), and you're fully protected by this **unconditional money-back guarantee**. Keep the book for three weeks. If you're dissatisfied with it for any reason whatever, simply return it and **every penny of your \$27 will be promptly refunded**—no questions asked!

No one is better qualified to have written this book than Howard L. Shenson—an experienced and successful developer/promoter of more than 45,000 participant training days in the past 12 years. Half of these were under contract to government, association, and corporate clients; the other half were conducted in open-to-the-public seminars. You'll learn first-hand how he does it—and how **you** can, too! A former department chairman at California State University, Mr. Shenson has been featured on ABC national news, numerous radio/TV talk shows, and in leading newspapers and magazines.

How many times have you thought of getting in on this multi-million-dollar business? **Don't put it off another day!** Clip and mail this coupon now!

Enclosed is my check or money-order for \$27. Rush me, postpaid, *How to Create & Market a Successful Seminar or Workshop* by Howard L. Shenson. I understand that I have the right to return the book within three weeks for a complete refund if I'm in any way unhappy with it.
