

Priceless
business
guide
to Europe

FREE

**Yours to keep
no matter what you decide**

Covers 31 countries (366 pages). Preferred methods of greeting. Social customs. What to bring your hostess. Probable weather and temperature. Where to find interpreters, photocopy facilities. Approximate service charges. What you need to know to feel at ease, get things done. Fits pocket for ready use. Good to have no matter how many times you've been to Europe. Invaluable on your first trip. Sent when you order Cassette Course. Keep it even if you return Course.

What would you give to learn a second language? (Try \$125.) And what's it worth to your company?

There's a premium being paid for language-knowledge in America today—and it's not only in the export trade. In multinational companies, in major cities, even on the factory floor, a second language marks you as the potential spokesman, the well-educated leader, the man or the woman to ask about foreign ways.

And travel is so much more fun when you can meet people and talk their language. Now you can. Easily. Painlessly. All thanks to this 50-lesson do-it-yourself Berlitz® language course. Available in French, German, Italian or Spanish—it's yours for only \$125.00.

Packaged solidly in leather-type binding, the Berlitz Comprehensive Cassette Course contains:

1. Ten introductory lessons in a 90-minute long first cassette to familiarize you with the spoken language.
2. Forty additional lessons on five convenient 60-minute cassettes, making a total of 6½ hours of recorded instruction in all.
3. 6 illustrated workbooks to use with the tapes, each containing 50 pages of easy-to-understand, concise information to help you speak with the least difficulty. 300 pages, in all, to get you on the way to fluency in a second language.
4. A specially prepared, easy-to-use Rotary Verb Finder will help you with irregular verb forms—once you're ready for grammar.

This course avoids the dry and the dull—mixes voices, sound effects and useful text in the delightful manner only Berlitz, the world's best known language instructor, can offer. And cassettes don't scratch, don't warp and don't unwind—last almost indefinitely. Best of all, they are easy to stick in your pocket, take along on a trip or use in the car.

Prepare yourself for a rewarding future. At the same time, enjoy the social advantages only a second language can bring. For \$125.00, choose the course you need to start talking like a native. Use the coupon and order today.

MONEY BACK GUARANTEE Try this Berlitz course for ten days. If you are not satisfied for any reason, simply return it, and obtain a complete refund. You take no risk, so order today.

Astronomy—Past, Present and Future

Astronomy Of The Ancients

Eight articles, many photographs and drawings introduce the reader to the ancient astronomers. Included are descriptions of their observations, their instruments and their explorations of the awesome regularities, and shocking irregularities, that appeared in the sky. \$15, paper \$7.95.

A Complete Manual Of Amateur Astronomy: Tools and Techniques for Astronomical Observations

This illustrated guide provides what the amateur astronomer needs to put scientific meaning into observations of celestial objects. Presents many research projects suitable for the non-professional astronomer. \$24.95

The Comet Is Coming! The Feverish Legacy of Mr. Halley. In anticipation of the return of the most famous of comets, Nigel Calder, an outstanding interpreter of science for the general reader, tells what is known about Halley's comet, along with the history, legends and science of comets. \$12.95, paper \$5.95.
