What is man? Where does he come from? Where is he going?

In his extraordinary new novel, *Code of the Life-maker*, James P. Hogan, the bestselling author of *Inherit the Stars* takes you to a future world in which mankind meets its match in an alien race of intelligent robots.

It's the most amazing novel yet from the man who puts the science back in science fiction.

Climb Aboard!

Don't let the next Space Shuttle launch Without YOU.

Tired of searching through newspapers and magazines for articles on the Space Shuttle? Disappointed with their shrinking coverage of each flight?

An alternative now exists: *COUNTDOWN*, a monthly 8-page report devoted entirely to timely coverage of Space Shuttle developments. *COUNTDOWN* takes you aboard for each mission with details of flight plans and schedules before launch and reviews and results after landing

FREE trial issue with a paid subscription. If you are not completely satisfied after receiving the free issue, your money will be refunded in full.

SAVE with this special offer of only \$12 for 12 issues with a paid subscription--a savings of \$3 over the regular subscription price--plus the additional free issue.

COUNTDOWN is ready to take you aboard the next mission of the Space Shuttle--and every mission of the Shuttle!
