

# The quick and easy way to learn a foreign language!

Based on the U.S. Military "Speed-up" Method of Language Learning.

## Programmed for Rapid Learning!

It's been scientifically proven that we remember words we hear better than words we see. That's why you'll find the two audiocassettes in each Language / 30 package more useful than all the language books money can buy. Just start listening to the tapes, repeat the foreign phrases a few times and, believe it or not, you'll begin speaking like a native. It's that simple!

Remember, Language / 30 is a learning tool that works. It incorporates the "speed-up" method of language learning—the same method used to train U.S. government personnel who work overseas.

With Language / 30, you can practice your target language anytime, anywhere. You won't have to set aside hours just for language study. You can listen to Language / 30 while you're getting dressed, eating, driving to work, or even jogging. Whether you're studying French, Russian, Swahili, or any of the other 23 languages listed below, you'll improve your speaking fluency and listening comprehension each time you play the Language / 30 tapes.

Each program comes with two 45-minute cassettes, convenient phrase dictionary, in a compact, 6" x 7" waterproof vinyl case.

## Introduced by Language Expert Charles Berlitz.

Each Language / 30 program features native voices speaking the most important and commonly used conversational phrases. You'll learn all the words you need to know for greetings, introductions, requests, and general conversations in hotels, restaurants, stores, theaters, and other places. And each cassette is introduced by world-renowned linguist Charles Berlitz, who explains the social customs and etiquette of the country.

So, whether you're going abroad for a short trip or an extended stay, you'll find that the fluency you've gained from Language / 30 will make your visit easier, more pleasant, and more enriching. Instead of being a "stranger in a strange land," you'll be able to converse freely with the natives in their own language.

## Which of these 26 languages would you like to speak?

- |                  |                     |                                       |

# IMPONDERABLES

Finally, answers to some of life's everyday mysteries such as . . .

Why do women open their mouths when applying mascara?

What does the "L.S." next to the signature line on contracts mean?

Why don't we ever see baby pigeons?

Which fruits are in Juicy Fruit chewing gum?

Why can't you ever buy fresh sardines in a fish market?

Why is June the most popular month for weddings?

Why does an X stand for a kiss?

Why do we eat ham at Easter?

Why are there two title pages in most books?

## The Solution to the Mysteries of Everyday Life by David Feldman

Dictionaries, encyclopedias and almanacs don't have the answers — **Imponderables** does! And in answering such questions, it touches on an astonishing variety of subjects, including sports, science, history, politics, television, radio and much more. No trivial pursuit, **Imponderables** takes a surprising, illuminating and humorous look at ourselves and the world around us.

Written in an informative and entertaining style and illustrated with drawings that are clearly to the point, **Imponderables** gets to the bottom of everyday life's mysteries.
