Memory Maps: Where the Action Is

IMPONDERABLES

Finally, answers to some of life's everyday mysteries such as . . .

Why do women open their mouths when applying mascara?

What does the "L.S." next to the signature line on contracts mean?

Why don't we ever see baby pigeons?

Which fruits are in Juicy Fruit chewing gum?

Why can't you ever buy fresh sardines in a fish market?

Why is June the most popular month for weddings?

Why does an X stand for a kiss?

Why do we eat ham at Easter?

Why are there two title pages in most books?

The Solution to the Mysteries of Everyday Life by David Feldman

Dictionaries, encyclopedias and almanacs don't have the answers — **Imponderables** does! And in answering such questions, it touches on an astonishing variety of subjects, including sports, science, history, politics, television, radio and much more. No trivial pursuit, **Imponderables** takes a surprising, illuminating and humorous look at ourselves and the world around us.

Written in an informative and entertaining style and illustrated with drawings that are clearly to the point, **Imponderables** gets to the bottom of everyday life's mysteries.

*Wrap up the latest news in science under your tree with a gift of **SCIENCE NEWS**.*

SCIENCE NEWS is the ideal gift for busy executives, professional people, scientists in search of an overview of all major fields of science, science teachers and students.

This Christmas share **SCIENCE NEWS** with your friends. They will appreciate the opportunity to learn about new scientific developments and discoveries that can affect their lives, their jobs, their future. And in this day of changing social directions, they will especially appreciate the perspective **SCIENCE NEWS** gives to the issues involving science and society.

Why? Because it is planned for people on the go. It reports key developments clearly, accurately, concisely — in about an hour's reading time a week. For someone with no more than an hour to spare, **SCIENCE NEWS** is a reliable summary of important news. For the reader with more leisure, it is a guide to subjects worth pursuing in more detail in other scientific journals.

SPECIAL CHRISTMAS SAVINGS!

Your first gift subscription of **SCIENCE NEWS** is \$29.50. Each additional one-year subscription is only \$25.00 — and you may include your own renewal or new subscription at this money-saving rate.

SEND YOUR GIFT ORDERS NOW!

Use the convenient postage-paid reply card opposite this message. Or, if someone else has already used it, fill in the order form at the right and mail it today.
