IMPONDERABLES

The Solution to the Mysteries of Everyday Life

By David Feldman

- Why don't we ever see baby pigeons?
- Which fruits are in Juicy Fruit chewing gum?
- Why does an X stand for a kiss?

Dictionaries, encyclopedias and almanacs don't have the answers — *Imponderables* does! And in answering such questions, it touches on an astonishing variety of subjects, including sports, science, history, politics, television, radio and much more. No trivial pursuit, *Imponderables* takes a surprising, illuminating and humorous look at ourselves and the world around us.
