Programmed for Rapid Learning!

Remember, Language / 30 is a learning tool that *works*. It incorporates the "speed-up" method of language learning—the same method used to train U.S. government personnel who work overseas.

Speak with the Ease of a Native

So, whether you're going abroad for a short trip or an extended stay, you'll find that the fluency you've gained from Language30 will make your visit easier, more pleasant, and more enriching. Instead of being a "stranger in a strange land," you'll be able to converse freely with the natives in their own language.
