Packed with information based on what hundreds of thousands of people have said they want to know about the outdoors, both in a survey done by the U.S. Fish and Wildlife Service and at hearings conducted by The President's Commission on America's Outdoors. The atlas answers such questions as:

- ★ Is picnicking allowed at the Black Bluff Wildlife Management Area near Billings, Montana?
- ★ What about wildlife viewing at the Nature Conservancy preserves in Georgia?
- ★ Is a trail guide available for the Abraham Lincoln National Historic Site in Kentucky?
- ★ Can you camp at Bogue Chitto National Wildlife Refuge near Slidell, Louisiana?

**THE OUTDOOR ATLAS** is a comprehensive guide to the fifty states and the outdoor opportunities each offers. Every state map is accompanied by a corresponding chart which provides directions, addresses and telephone numbers to public and private facilities, national and state parks, all national wildlife refuges and forest districts, all Bureau of Land Management sites, and Nature Conservancy and Audubon locations, to name just a few. Its goal is to send those in search of outdoor fun beyond the crowded tourist attractions to hidden spots too long overlooked.

An indispensable planning tool, **THE OUTDOOR ATLAS** is perfect for the outdoor enthusiast and sure to become required reading for the weekend and family traveler. Whether it be a week-long camping trip, a birdwatching expedition or a boating getaway, this unique reference book will aid the journey.
