The Practical Paleontologist

Steve Parker

Find all the answers to the questions most frequently asked by amateur fossil hunters. Learn where to look for fossils, plus how to:

- Distinguish between real and pseudo-fossils
- Mark, clean, catalog and transport your finds
- Report your finds to a museum

You'll find hundreds of color photographs and maps, as well as procedures for grid mapping and setting up a fossil workroom. Publisher's price: \$24.95

Eyewitness Handbooks Fossils

Cyril Walker & David Ward

Identify more than 500 fossil species with the help of this unique, user-friendly guide. Each specimen is illustrated, and accompa-

nied by clear, descriptive notes on features, habitat, and the geological strata where it may be found. Includes over 1,000 color photographs, plus a glossary of technical terms. Publisher's price: \$29.95

Sleuthing Fossils

The Art of Investigating Past Life
 Alan M. Cavanaugh

Expand your knowledge of paleontology — from collecting and analyzing fossils to understanding the controversies that animate this field today. Whether you're a beginner or advanced collector, you'll find a wealth of information on topics including:

- Preparing and displaying fossils
- What makes a good paleontologist
- Publishing your research
- Paleontological jargon

Comprehensive and in-depth, this practical guide is a must for any fossil hunter. Publisher's price: \$22.95

MEMBERSHIP BENEFITS

In addition to getting the 3-volume FOSSIL HUNTER'S LIBRARY for only \$2.95 when you join, you'll also receive discounts on books you choose to purchase. Discounts generally range from 15% to 30% off the publishers' prices, and occasionally even more. • Also, you will immediately become eligible to participate in our Bonus Book Plan, with savings of 50% off the publishers' prices. • Moreover, our books are always identical to the publisher's editions. You'll never receive an "economy edition" with inferior paper and bindings from us. • At 3-4 week intervals (15 times per year), you will receive the Natural Science Book Club News, describing the coming Main Selection and Alternate Selections, together with a dated reply card. • In addition, up to three times a year, you may receive offers of Special Selections which will be made available to a group of select members. • If you want the Main Selection, do nothing, and it will be sent to you automatically. • If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. • You will have at least 10 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, we guarantee return postage.
