Science News 1/94

'Subtle is the Lord' The Science and the Life of Albert Einstein

by Abraham Pais

"An outstanding biography"
— *Physics Today*

Author Abraham Pais, an award-winning physicist who knew Einstein personally, presents an intimate guide to the life and thought of the most famous scientist of our century. Using previously unpublished papers and personal recollections, this narrative illuminates the man through his work with liveliness and precision, making this the authoritative biography of Einstein.

Niels Bohr's Times, in Physics, Philosophy, and Polity

by Abraham Pais

"...illuminates the probing, deep exertion within Bohr that was midwife to the birth of twentieth century physics."
— Mitchell Feigenbaum

Niels Bohr is one of the three men without whom the development of quantum physics is unthinkable. The author, a colleague of Bohr's at the Institute for Theoretical Physics (now the Niels Bohr Institute), gives a first-hand account of Bohr as a great scientist and teacher as well as philosopher, humanitarian, administrator, and devoted family man.

Publisher's Price: \$35.00

Schrödinger Life and Thought

by Walter Moore

A few days before Christmas in 1925, Erwin Schrödinger left for a two-and-a-half week vacation in the Swiss Alps. When he returned, Schrödinger brought with him the fundamental formulations of wave mechanics. This, the first comprehensive biography of Schrödinger, is an attempt to explain this astounding burst of creativity and to describe one of the most fascinating and enigmatic figures of modern physics.

THE LIBRARY OF SCIENCE is the nation's oldest and most respected science book club. Dedicated to serving both professionals and serious amateurs, it surveys the entire field of published sources on scientific subjects to make the very finest works available to club members at substantial savings, with prices starting as low as \$9.95.

MEMBERSHIP BENEFITS- In addition to getting The Great Men of Science Collection for only \$2.95 when you join, you keep saving substantially with discounts of up to 50% off the publishers' prices on books you choose to purchase. • Also, you will immediately become eligible to participate in our Bonus Book Plan. • Moreover, our books are always quality editions. You'll never receive an "economy edition" with inferior paper and bindings from us. • Often, we offer exclusive editions of books with tools and utilities disks that are not available anywhere else. • At 3-4 week intervals (15 times per year), you will receive the Library of Science News, describing the coming Main Selection and Alternate Selections, together with a dated reply card. • In addition, up to three times a year, you may receive offers of Special Selections which will be made available to a group of select members. • If you want the Main Selection, do nothing, and it will be sent to you automatically. • If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. • You will have at least 10 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, we guarantee return postage.
