◀ Polished Opal

▶ Faceted Rock Crystal

◀ Grow your own crystal

The Practical Geologist

Dougal Dixon & Raymond L. Bernor, Editors.

What causes earthquakes? What forces shape mountains? Why do rivers flow where they do? Find the answers to these questions and more in this guide to reading what the rocks say. Includes tips and techniques on how to search for, identify and extract rocks and minerals...easy experiments you can do at home...and more than 200 full-color photos and illustrations. Publisher's Price: \$27.95

Handbook of Rocks, Minerals & Gemstones

Walter Schumann. Stow this handy field guide in your backpack and use it to identify over 600 varieties of rocks, minerals and gemstones. Each is pictured in an easy-to-

use color format. Accompanying text offers a complete description of each specimen including its history, origin, structure, composition, properties and classification. Publisher's Price: \$35.00

Minerals: Identifying, classifying, and collecting them

Rupert Hochleitner. More than 250 of the world's major minerals are illustrated here in over 500 stunning color photographs. Guide includes a unique color-coded system that groups minerals according to streak color and degree of hardness, for fast, easy identification. Publisher's Price: \$13.95

MEMBERSHIP BENEFITS

In addition to getting THE ROCK HUNTER'S LIBRARY for only \$2.95 when you join, you keep saving substantially with discounts of up to 50% off the publishers' prices on books you choose to purchase. • Also, you will immediately become eligible to participate in our Bonus Book Plan. • Moreover, our books are always identical to the publisher's editions. You'll never receive an "economy edition" with inferior paper and bindings from us. • At 3-4 week intervals (15 times per year), you will receive the Natural Science Book Club News, describing the coming Main Selection and Alternate Selections, together with a dated reply card. • In addition, up to three times a year, you may receive offers of Special Selections which will be made available to a group of select members. • If you want the Main Selection, do nothing, and it will be sent to you automatically. • If you prefer another selection, or no book at all, simply indicate your choice on the card and return it by the date specified. • You will have at least 10 days to decide. If, because of late mail delivery of the News, you should receive a book you do not want, we guarantee return postage.
