

Roadside Geology

A series published by Mountain Press

“... a marvelous concept, a whole series of books on geology in various states across this country based on a road-by-road study of the structure of the Earth as revealed from a car window.”

—Adirondack Magazine

Some comments about the series:

“A splendid production in two colors, this book should be owned by every motorist in Colorado.”

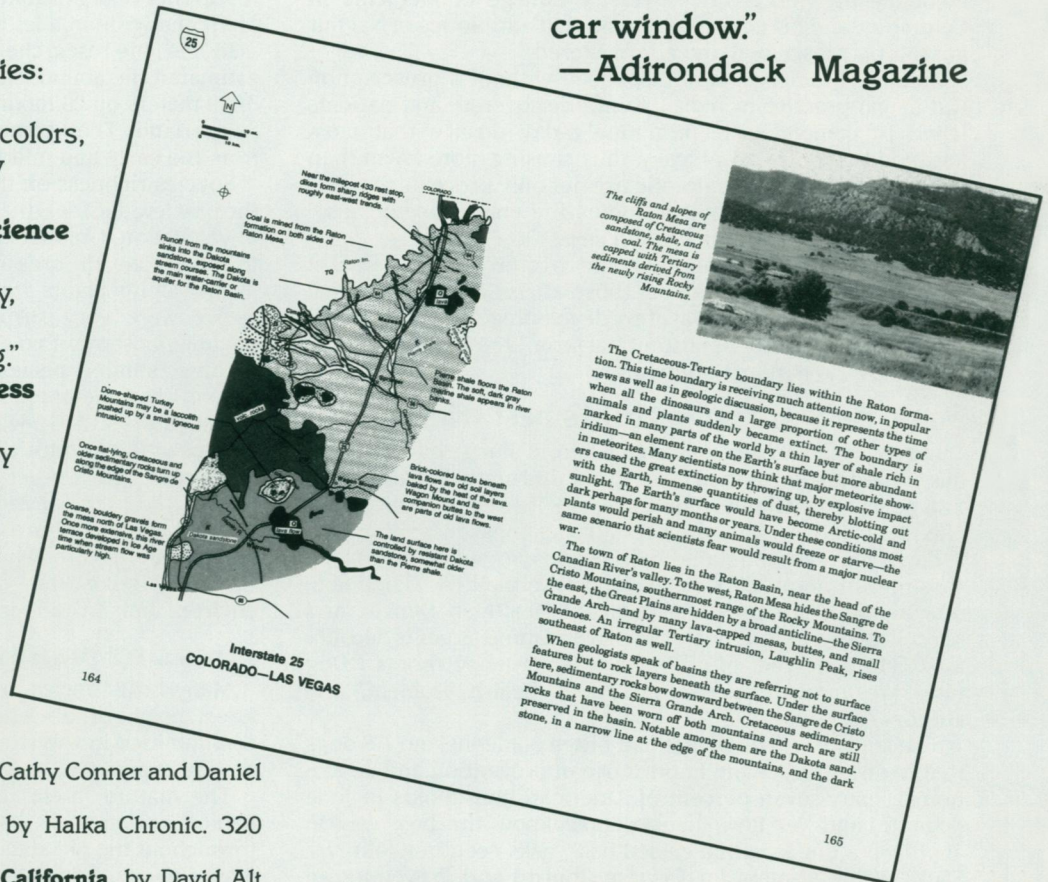

—Earth Science

“If you are interested in geology, don't start a trip in Oregon without taking this book along.”

—The Community Press

“... an intriguing, imaginatively illustrated paperbound original designed for the layman.”

—San Francisco Chronicle
